BUILDING DEPARTMENT

Building permits are required anytime you are doing work on your home. Please call the Building Department, 973-228-6410 ext. 106, before you begin any work.

RECREATION DEPARTMENT

Please register for our Community Pass system to enjoy the convenience of online registration and to receive notifications about our various recreation activities. If you have any questions, please call 973-228-6410 ext. 113 or 114.

VOLUNTEER FIRE DEPARTMENT

The North Caldwell Fire Department consists of dedicated members who volunteer their time to protect the safety of our residents and their property. If you are interested in becoming a member, call 973-228-6437. For rental of Firemen's Hall, please call 973-417-5857.

NORTH CALDWELL WATER CUSTOMERS

All water meters are located inside the home. It is the homeowner's responsibility to read their own water meter and submit the reading to the Borough Water Department. A water reading card is mailed out quarterly to your home. The reading can be submitted via mail to Borough Hall, via phone to 973-228-6410 ext. 103, or through our website www.northcaldwell.org under Quick Links. There will be a \$100 penalty for not supplying the meter reading for 3 consecutive quarters. North Caldwell is divided into 3 sections for water billing. The first digit of your account number indicates what section you are in. Water reading cards are mailed one month prior to water billing. The following are the billing dates by section:

Section 1 Billing Dates: 1/15/21, 4/15/21, 7/15/21 and 10/15/21

Section 2 Billing Dates: 2/15/21, 5/15/21, 8/15/21 and 11/15/21

Section 3 Billing Dates: 3/15/21, 6/15/21, 9/15/21 and 12/15/21

Water bills are due by the 15th of the month after you are invoiced. Payments received after the due date are subject to a 10% non-waivable penalty of the current balance. If you have any questions or need help reading your meter, call 973-228-6410 ext. 103. **PLEASE DO NOT STAPLE YOUR CHECK TO THE PAYMENT STUB.**

NO SOLICITATION ONLINE REGISTRY

Register your address online on our website, www.northcaldwell.org under the "Do Not Solicit Registry" Quick Link menu on the left side of the home page. Your address will be placed on a list to prevent solicitors from coming to your home. A "No Solicitors" sign can be displayed near your door.

PROPERTY MAINTENANCE

It is the responsibility of the owner, operator and/or occupant to keep the exterior of their premises free of nuisances which include, but are not limited to, garbage and/or refuse, dead and dying or storm damaged trees and limbs, overhanging objects and accumulations of ice and/or snow, ground surface hazards such as holes, excavations, breaks and projections, sources of infestation. It is against the code to store at a location exposed to public view, equipment and materials relating to commercial or industrial uses. Landscaped areas shall be maintained, including the trimming of lawns, bushes and shrubs. The property shall be kept free of broken glass, peeling or weathered paint, loose shingles, gutters, leaders or shutters and crumbling concrete, driveway materials, stone or brick. No person shall park any motor vehicle in any front yard area except on driveways constructed and installed in compliance with Borough ordinances.

DISPLAY OF HOUSE/BUILDING NUMBERS

It is the responsibility of the owner or occupant of every house or building to display, in a place visible from the street, the designated street number of the house or building. The size of the numbers shall be of a height of not less than three (3) inches.

DEER FENCE ORDINANCE

Open fencing designed for the purpose of repelling or preventing the travel or entry of deer may be installed in rear and side yards only with the following regulations: the fence cannot be over eight feet in height; the deer fence shall only be constructed of a black polypropylene material or metal core covered by black polypropylene; deer fencing may be attached to trees, safely staked or secured and may not have caps or rails at its top edge and deer fencing may not be visible from any street. A permit is required from the Borough in order to erect a deer fence.

WILD ANIMAL FEEDING

No person shall feed any wildlife on any property, private and publicly owned, located within the Borough of North Caldwell.

SNOW/ICE CONTROL

It is the responsibility of property owners to remove snow from sidewalks, mailboxes and fire hydrant areas. It is against the law for snow to be pushed from driveways into the street. Please note that Mountain Avenue, Grandview Avenue, West Greenbrook Road, Central Avenue, Lindsley Road and Fairfield Road are maintained by Essex County.

DOG & CAT LICENSING

Every dog and cat in the Borough of North Caldwell is required to be licensed. Licenses are valid for one calendar year and the cost is \$20.00 per dog or cat with an additional \$3.00 per dog or cat if they are unspayed or un-neutered. **There is a \$10.00 late fee for every dog or cat not licensed in the month of January.** Your dog or cat must have rabies vaccination valid through October 31 of the renewal year. A free rabies clinic is held for both dogs and cats valid once a year in January. Check our website for the date or call Borough Hall for information.

Owning, possessing or harboring any pet that frequently or for continued duration makes sounds that create a noise disturbance across a residential real property line is prohibited. Pet owners or their keepers are required to pick up and properly disposed of pet waste dropped on public or other people's property. Dispose of the wrapped pet waste in the trash or unwrapped in a toilet. **Never discard pet waste in a storm drain.**

Please notify the Police Department immediately should you be bitten by a dog. No person shall own, keep or harbor in excess of five dogs and cats in combination over the age of three months at any one time. Of the five dogs and cats so permitted, not more than three may be dogs.

YARD AND GARAGE SALES

A sale of used goods, wares and merchandise, commonly known as a garage sale or yard sale may be permitted in any residential district upon obtaining a permit. Permits are available at Borough Hall and are valid for no more than two (2) consecutive days. The fee for such permit is \$10.00.

SOLUTIONS TO STORMWATER POLLUTION

Easy Things You Can Do Every Day To Protect Our Water

A Guide to Healthy Habits for Cleaner Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution.

Breaking these rules can result in fines or other penalties.

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

Limit your use of fertilizers and pesticides.

- Do a soil test to see if you need fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Make sure you properly store or discard any unused portions.

Properly use and dispose of hazardous products.

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Recycle used motor oil.
- Contact your municipality, county, or facility management office for the locations of hazardous waste disposal facilities.

Keep Pollution Out of Storm Drains

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.
- Do not let sewage or other wastes flow into a stormwater system.

Don't Feed Wildlife

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

Don't Litter

- Place litter in trash receptacles.
- Recycle. Recycle. Recycle
- Participate in community cleanups.

Clean up after your pet

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
- Make sure you know your town or agency's requirements and comply with them. It's the law.

Remember to:

- Use newspaper, bags, or pooper scoopers to pick up waste.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

Dispose of yard waste properly

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.
