

MUNICIPAL ENGINEER – NORTH CALDWELL

The Borough of North Caldwell is accepting resumes for the full time position of Borough Engineer to perform a variety of engineering tasks as well as management of the Borough Department of Public Works. A valid New Jersey Professional Engineer License is required and a CPWM is preferred or commitment in obtaining one within 18 months. The Borough owns and operates a water distribution system and a wastewater collection system, therefore a current W-2 and C-2 license are preferred but not required. Interested persons can submit their cover letter and resume to Tami Michelotti, Borough Clerk at ncclerk@northcaldwell.org. The Borough is an Equal Opportunity Employer and nothing in this advertisement constitutes a promise or guarantee of employment.
