

"Unfortunately, Essex County leads the state in the number of deaths caused by the Coronavirus. Our fight against this deadly disease is far from over and we must remain vigilant and aggressive to combat it. Testing is a critical tool that will tell us exactly how widespread the virus is and who has been infected. Whether you are exhibiting symptoms of the Coronavirus or not, we encourage residents to make an appointment and get tested."

Joseph N. DiVincenzo, Jr.

**Joseph N. DiVincenzo, Jr., Essex County Executive
And The Board of County Commissioners**
