

Spicewood Energy Management, LLC (SEM) Announces Placement of Funds

FOR IMMEDIATE RELEASE

SEM, which was formed to manage oil and gas investments through multiple limited partnerships, announces placement of funds for its Spicewood Energy Fund II, LP which closed on December 30, 2013.

February 18, 2014 (Spicewood, Texas USA)- Spicewood Energy Management, LLC (SEM) announced on January 23rd the closing of Spicewood Energy Fund II, LP. This partnership, which officially closed on December 30, 2013, was structured for the purpose of providing its investors with year-end IDC tax write offs and will solely participate in the drilling of wells via non-operated working interest. SEM has since placed partnership funds into numerous prospects throughout Texas and Louisiana.

"We are pleased to announce our involvement in a South Louisiana prospect with PetroQuest Energy, Inc (NYSE: PQ). PetroQuest has been drilling and developing oil and gas prospects in the East Texas and South Louisiana areas for many years. We believe their success is largely due to their commitment of staying close to their roots and in areas of which they are familiar," stated Waylan Johnson, President of SEM. He further stated, "We are very excited to be a part of the current project and look forward to further aligning our partnerships with their future prospects."

SEF II has signed numerous exploration agreements acquiring non-operated working interest in several wells to date. Drilling operations are currently underway on several of these prospects.

About SEM

Spicewood Energy Management, LLC (SEM) is a Texas based oil and gas company that has offices located in Spicewood, Texas and Port Aransas, Texas. SEM will manage oil and gas investments through multiple limited partnerships, which will be formed in the state of Texas and filed pursuant to Blue-Sky filings. SEM announced the formation of its first partnership, the Spicewood Energy Fund I, LP (SEF1) in February 2012.

SEF1 provides investors the opportunity to largely diversify their portfolio by investing in a Limited Partnership which will engage in all aspects of oil and gas exploration, development and production. SEF1 is structured so that within a single investment, an investor will have the ability to acquire working interest in drilling projects, producing mineral interest and proprietary seismic data as well as develop leasehold acreage, pipelines, gas gathering processing systems, and commercial salt water disposal, all at a ground floor entry point.

Duff & Phelps, a leading global financial advisory and investment banking firm, has completed an independent due diligence report on SEM and SEMF1. This comprehensive research report is available to RIA and family office due diligence analysts.
