

The Florida Drycleaners Coalition Needs You!

The Florida Drycleaner's Coalition, the only Florida-based trade association for Florida drycleaners, is entering its 26th year of service to the industry and needs your support.

Here are some of the things the Coalition has accomplished during its long history:

- ◆ Defeated legislative efforts to subject drycleaning services to the state's sales tax.
- ◆ Created the Drycleaning Solvents Cleanup program, which since 1994 has raised more than \$150 million to pay for site cleanups that drycleaners would otherwise have paid.
- ◆ Defeated efforts to ban to use of perc by Florida drycleaners

From time to time we need you help contacting your legislators to voice the concerns of our Industry. Please fill out the attached form with your contact information so you can be alerted to what's happening concerning our Industry then hand it to your Distributor Salesman. If you have questions give us a call.
