NAACP Founders' Day H.O.P.E Celebration

**Recognizing and uplifting the strength
and achievements of the community**

The 2025 Founder's Day Celebration marks a moment to honor the visionary leaders who played a pivotal role in shaping the NAACP's mission for civil and human rights without discrimination. Our founders dedicated themselves to turning this vision into reality, investing countless hours to combat racial disparities that persist in American education, employment, housing, healthcare, and the criminal justice system. As a result, they hold a special place in the hearts of our members.

On this day, we reflect on the glorious past, successes, and ongoing achievements of our founders, whose legacy extends back to 1909. Additionally, this event supports the efforts of our Education Committee, contributing to the scholarships we award annually.

Dr. Zoe Grant
2025-2027 President

Theme: H.O.P.E. – Honoring Our People's Empowerment

Recognizing and uplifting the strength and achievements of the community

This day is where we come together to recognize and uplift the strength, achievements, and empowerment of our community. This year, we honor the legacy of our founders while shining a spotlight on those who continue to embody the spirit of progress and resilience today.

H.O.P.E. – Honoring Our People's Empowerment – celebrates the individuals and communities who have overcome adversity, fought for justice, and inspired change. Through powerful stories, keynote addresses, and performances, we will acknowledge the impact of those who have uplifted and empowered others in their pursuit of equality.

Join us in celebrating a legacy of empowerment, unity, and progress as we continue the mission of advocating for civil rights and justice for all. This event is not only a tribute to our past but also a call to action for our future.

We continue to discuss our wealth of diversity determining our ability to see that we are **STRONGER TOGETHER**. We hold firm to that collective strength that makes a difference in our community.
