

# 10<sup>th</sup> Annual WWK Gala

## Saturday March 23, 2024

### Lone Star Convention Center

## Our Mission

Offer an opportunity to learn life-long outdoor skills and responsibilities to kids without fathers. Providing an opportunity for kids to spend time away from the stress and distractions of the electronic world. Teaching outdoor skills such as archery, backpacking, camping, fishing, gun safety and conservation. Equipping these kids so they can teach their own children in the future; creating legacies of time spent together.

Strengthen the relationship between children and their fathers by providing an opportunity for them to spend time together away from the stress and distractions of video games, computers, phones, emails and texts.

# Woods & Water Kids

## About Us and Our Mission

### About Us

Woods and Water Kids Adventures (WWK) was created to offer children and their fathers a place to learn and practice outdoor skills. Skills that offer a father that did not grow up hunting, fishing, or shooting an opportunity to learn a great sport that never has to slow down with age. An opportunity for dads to spend quality time with their children in a day and time where life is very busy.

Most Dads would welcome the opportunity to take their son or daughter fishing for the afternoon; but where do I go? What do I buy? I'm not sure I know how? Whether you grew up in the outdoors or you have never done any outdoor activities. WWK will work to educate you in several outdoor skills through workshops and events held on a half to full day or weekend time frame.

Learn a variety of outdoor skills:

Archery / Camping / Campfire Meals / Fishing / Firearms Safety /  
Hunters Education / Hunting / Shooting / Sporting Clays

### Outdoor Opportunities for Fathers and Their Children

The outdoors is the platform, a common ground where children and their fathers can share life changing experiences, while developing skills and a passion for the outdoors. These skills will be available for kids and their fathers as they walk through different and difficult stages of life. These outdoor activities offer a common interest for kids and dads to get away and spend quality time together now and throughout their lives.

# Sponsors to Date

Please spend some time with your kids outdoors this summer / fall and attend a WWK event near you. You can learn a new lifelong skill with your child or consider volunteering and helping a child without a father in their life learn more about the Outdoors.
