## † Pastor's Letter †

Dear My Beloved Family of God

2021 Lent can be a time of mourning and grief since we have lost many of our loved ones, near and far! We also lost a half million lives due to COVID-19 nationally. I pray for all of them that our loving God embrace their souls with warm bright light and everlasting hope and life and that the Holy Spirit comfort their families and friends on their long grieving journey.

For this Lent, we may decide to give up something to discipline our lives – sweets, sodas, TV, social medias, etc. But during the pandemic, we have already given up so much – in-person gatherings, singing together, hugging together, visiting one another, etc. So, I'd like to encourage all to do something positive and constructive...with thanksgiving and gratitude...because God has been gracious and generous in so many ways.

Let us look into our hearts and minds and reflect on what are there! The left column below tells us the list of negative things that make our life more difficult and miserable. Let us give up on them and instead start taking up the ones on the right column! I hope this list helps us to be stronger and wiser as we continue to walk our COVID-19 challenging journey:

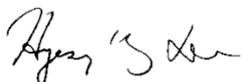

FOR 2021 LENT		
WHAT TO GIVE UP	WHAT TO TAKE UP	
• Anger	• Gratitude	•
• Bitterness	• Forgiveness	•
• Conceit	• Humility	•
• Despair	• Hope	•
• Guilt	• Grace	•
• Giving Up	• Hanging On with Patience	•
• Hatred	• Understanding	•
• Falseness	• Authenticity	•
• Gossiping	• Solidarity	•
• Jealousy	• Trust/Friendship	•

Prayers and worship are always the best medicine for our souls. You are invited to join our online Worship Service each Sunday. You will continue to receive ZOOM invitation with Sunday Bulletin every Friday. And you have three options as follows:

1. **Watch and interact** on **ZOOM**
2. **Watch without interaction** live on **YouTube** (There are clickable links on our website home page and our Facebook page for the Live-Stream Service)
3. **Watch the recorded service** on our web page and Facebook after **7 pm** Sunday

We will continue to be together and connected through prayers, praises, ministries and worship! I am thinking of you every day and praying for you. Let us keep moving forward with our Risen Lord in our hearts!

“Rejoice always, pray without ceasing, and give thanks in all circumstances; for this is the will of God in Christ Jesus for you!” (1 Thessalonians 5:16-18)

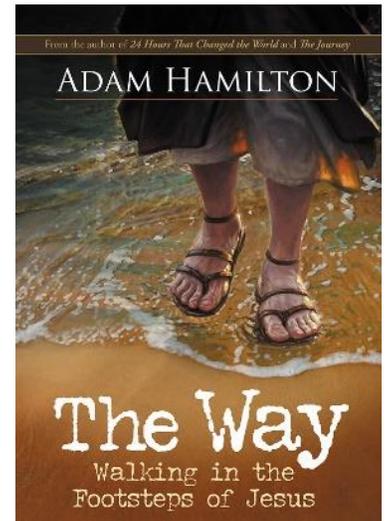

Your Pastor, Hyesung Lee

## *SPECIAL OFFERINGS 2021*

Special Sundays are designated Sundays throughout the year that provide opportunities for giving. These special offerings are earmarked and support designated ministries. On these Sundays, we empower our congregations to give toward causes and organizations that promote sustainable life change.

**These offerings help offer refuge in times of disaster, promote peace and justice, provide scholarships, reach out to the community, teach skills to encourage self-sufficiency and share the love of Jesus Christ with God’s people everywhere.**

### *UMCOR Sunday is March 14, 2021*

UMCOR Sunday (fourth Sunday in Lent). Previously known as One Great Hour Of Sharing, this Sunday enables the **United Methodist Committee on Relief** to reach out through worldwide ministries of food, shelter, health and peace.

Who supports UMCOR’s overhead cost? You.

Your sustaining gifts on UMCOR Sunday lay the foundation for UMCOR to share God’s love with communities everywhere. For more than 80 years, United Methodists have faithfully given to UMCOR Sunday.

**Thank You...! . . .** for your generosity in 2020! You gave **\$1,150,756** to the **UMCOR Sunday** offering. This special offering underwrites UMCOR’s administrative costs so that all designated gifts will go to the project you specify. Your gifts ensure UMCOR’s response in times of crisis so that 100% of gifts to UMCOR helps those who need it most.

## *SPRC – Connecting the Pastor, Staff & Congregation*

One of the goals for SPRC (Staff-Parish Relations Committee) in 2021 is to stay in touch and share news concerning our staff and congregation. It recently came to SPRC's attention that our accompanist, Kevin Fallon got married in January! We all want to wish Kevin and his wife, Emily, many years of health, happiness, laughter, and love.

We are also thankful that our custodian, Keith Hicks, had successful shoulder surgery in December and is now back to his regular duties. While Keith was out on medical leave, Polly Gallagher took over some of the basic Church cleaning needs, and Dennis Buckley made sure the trash cans were out every week. We are grateful for Polly and Dennis stepping up and stepping in as needed.

Since we aren't meeting in person, it's easy to forget that there is still work going on behind the scenes to keep our Church running. We are very thankful for our BCUMC staff and volunteers for faithful service. Please remember to reach out to a SPRC committee member to express your hopes, dreams, compliments, and concerns. –

### **HOPE HOUSE SPECIAL MOMENT**

By Diane Lee

The clothing and housewares section of HOPE House has been really busy! We've given out blankets, comforters, adorable baby clothes, kitchen stuff and lots of clothes. We have a new four-year-old friend; a little girl that comes with her mother and loves to play with Sharon (my partner in clothing). She hides her toy and Sharon gets to hunt for it. All the adults enjoy it. Lots of laughter.

As always, we have those clients who are so grateful for what we can give them, and a few others who want more! I had an experience the other day that will stay with me for a long time. A young man came to us needing basic items. He was homeless and looked it. We found him a canvas bag and filled it with socks, washcloths, soap, a blanket and a jacket.

*As he left, he turned to me and said words he probably hadn't said very often and probably not heard either. He said, "Thank you. I love you."*

Special moments like that keep us coming to HOPE House twice a week. It is a special place. Thank you all for your help and support.

## ***TURN YOUR RADIO ON***

On my heart radio  
I turn the dial  
Feel some peace  
Makes me smile.  
The more we tune in  
On God's wave length  
The more guidance we feel  
More comfort and strength.  
My body relaxes  
As, deeply, I breathe  
All we need to know  
God helps us receive.  
Inspiring words of Scripture  
Now center my mind  
Even when directionless  
New pathways I find.  
We can pray and listen  
And let go of hesitation  
While tuning in to God's  
Continually broadcasting station.  
Yes God's frequency  
Is always available  
May we trust God's guidance  
Is always reliable.  
Dear Holy one, awaken  
My static filled perception  
Help me to receive  
A good and clear reception.  
I now remember  
The old time song  
And turn my radio on.

Jan Schults led our February Zoom meeting with five women in attendance. We had a very timely and informative lesson and discussion about racism and violence towards women. We struggled with how we can bring about change and answer God's call to love justice with our lives and our actions.

While we are unable to meet in person the work of UMW continues at BCUMC, locally and globally. Throughout the history of BCUMC's UMW we have supported District and Mission programs along with many programs and events related to our Church. Our UMW budget is planned with funds from our annual pledge drive and fundraisers. We were not able to hold our usual fundraisers in 2020, but with 2020 pledges and funds leftover from 2019 we met our 2020 budgeted District and Mission programs. We will not be holding any fundraisers until we can safely gather again. With that in mind, we are asking all the women in our Church to consider a pledge to UMW. Your support will allow our UMW to continue to support many important programs and services. Check your mailboxes for a letter with more information. Any donations will be appreciated and may be sent to Polly Gallagher, BCUMC UMW Treasurer (address is in the directory).

UMW continues to collect items for care packages for deployed female soldiers once a month through an organization called Soldiers' Angels. Great items to send are snacks, body scrubs/lotions, facial masks, hairbands, shampoo/conditioner, feminine hygiene products, deodorants, and leisure materials such as books, magazines, or crossword puzzles. If you would like to help, please drop off items at Cheryl Breitenbucher's porch (address is in the directory). The overall theme for UMW this year is Knitted Together for God's Good Work. If you are a knitter, please consider knitting newborn and premie hats. The hats can be dropped off with Charlene Dobson (address is in the directory) and her daughter will take them to the hospital she works at. If you have yarn to donate, let UMW know and we will get it to a knitter. We appreciate everyone's generosity.

Our next UMW meeting will be on Zoom on Monday, March 15<sup>th</sup> at 7pm. Polly Gallagher will lead the program titled Persistence in Mission. We will study how women in scripture and in UMW's history have been persistent in prayer and speaking up, and we'll consider how we can put our prayers in action for the missions of UMW. Please consider joining us for fun, fellowship, and spiritual growth - all women are welcome!

You can join the Zoom meeting at [Join our Cloud HD Video Meeting](#)

Meeting ID: 867 1977 9110 Passcode: Women **Please join us on Monday, March 15<sup>th</sup> at 7pm.**

## Your Parsonage is Being Upgraded with the Work of Trustees!

I'd like to thank all the Trustee members who have worked hard to keep our church buildings – including the parsonage (4653 Nunn Street) – in better shape. The following picture shows six beautiful light bulbs in the kitchen which we don't need to change ever again. It also shows the new faucet in the kitchen sink. My family enjoy them so very much! THANK YOU SO VERY MUCH!!!! Pastor Hyesung Lee and the family

# HOPE HOUSE 2020 (during pandemic)

A ministry of the Brentwood Community United Methodist Church that provides spiritual support and nutritional food for individuals and families who are in need. Hope House (HH) served 7,423 families with 19,763 family units. HH purchased 43,223 pounds of food and received approximately 129,669 pounds of free and donated food to support our clients.

Hope House was blessed with many donations that supported our food/clothing ministry. We received a \$5,000 grant from the State United Methodist Women's organization, two \$5,000 grants from the City of Brentwood, two \$1,000 grants from the Brentwood Lion's Club, a \$4,779 grant from the Food Bank of CC County, a \$650 grant from our own UMW, \$750 from the Delta Gardeners, \$678 from Commodore Canvas, \$3,000 from St. John's Lutheran Church; individual donations: \$1,000 from Leonardo Verlene, \$1,200 from Janine R. Jeanes, \$2,100 from Don and Linda Barnhill, \$1,000 from Robert Smith, \$1,000 from Steve Hendricson, and many more donations from the members and friends of the church.

We were able to support Hope House in many ways in 2020. We had an Eagle Scout project to improve the front of HH and our share of the project was \$2,500. We purchased a much needed two- door commercial refrigerator for \$2,900, and bought four stainless steel work tables and with some repairs spent \$1,500. With the support of CC Food Bank we purchased two stainless steel freezers for \$5,200. We put together Special Thanksgiving and Christmas bags for our clients for \$4,600, the Lutheran Church helped with the cost. We spent \$14,639 + on the food for our clients, \$4,265 on PG&E for the year as well as \$1,290 to the City of Brentwood for water, sewer, and garbage.

All of this could not be done without the donation support and our dedicated volunteers who together put in 7,048 hours of hard work and devotion for our client ministry! Amen!

I would be remiss if I left out our clothing ministry. We have a dedicated group of ladies who take in hundreds of bags and boxes of clothes and small housewares and meticulously go through and sort each one so that our clients can receive some very good articles of clothing and items for the home. Because we are the only place where you can get these items **free** we are a real destination for them.

Our church can be very proud of this ministry for the outreach and service that it provides for our community—God's Community!

## **“Regarding U.S. Supreme Court Ruling ...”**

Yesterday's U.S. Supreme Court ruling on California's ban on indoor religious services has raised questions from some of our churches in the California-Nevada Conference. I want to affirm that as a conference of The United Methodist Church, even in the light of a Supreme Court ruling, we continue to hold responsibility for the life and well-being of our congregations and care for our neighbors in the communities where we serve.

We need to persevere in doing no harm, focused on doing all the good we can by sheltering-in place, practicing social distancing, wearing masks, getting vaccinated, and observing the recommendations we receive from state and county government, recommendations based on the best learnings of the Centers for Disease Control and Prevention.

In the worst pandemic the world has experienced in 100 years, it is sad and regrettable to see the number of times churches have contributed to the worsening of this pandemic and the loss of life. I pray that our United Methodist churches will not be added to this list.

Our California-Nevada Conference COVID-19 Protocols will continue to be enforced. To assist our pastors and the lay members of our churches, our protocols are available on the conference website. Let us all review them carefully and help one another in maintaining them. I would also ask that we all read the U.S. Supreme Court ruling in its entirety. Its ruling is complex and instructive.

While we respect the South Bay United Pentecostal Church who brought the matter to the U.S. Supreme Court and others who believe as they do, we United Methodists have a different theological perspective. We believe that science and medicine are gifts from God that are not to be summarily without prayerful consideration rejected or ignored. More importantly, we believe that the Church is not a physical building but the living body of Christ Jesus composed of those who claim Christ as Lord and Savior and who strive to live as those who are committed to loving God and loving neighbor. We believe that worship and prayer and Christian fellowship are not contained or limited by what we do in our church buildings.

This time of pandemic has challenged us to find new ways to be the Church, but what is eternally true is that our lives should be lived as those who face each and every day, and not just Sundays, nor just in our church buildings, in the worship of our God, with prayers for sustaining grace, and in the awareness that our Christian fellowship is for the purpose of being strengthened for the task of being disciples of Jesus Christ. If this way of life has been lost among us, then we have failed and must start anew. May God the source of perfect love, Christ the healer of our brokenness, and the Holy Spirit our strength, guide us forth.

Bishop Minerva G. Carcaño

# GENERAL CONFERENCE NEWS UPDATE - (Feb 25, 2021)

In response to the further postponement of the 2020 General Conference, the Council of Bishops (COB) is calling a Special Session of the General Conference of The United Methodist Church (UMC) to be convened online on May 8, 2021.

The purpose of the 2021 Special Session of the General Conference will be limited to gaining a quorum in order to suspend the rules for the sole purpose of allowing the use of paper ballots to act upon 12 pieces of legislation that would enable the church to effectively continue its work until the postponed 2020 General Conference is held in 2022. While other potential amendments were considered, it was agreed that these 12 pieces of legislation would enable the church to continue its administrative functions appropriately...

The decision to call the Special Session came in conjunction with the Commission on the General Conference's announcement of a further postponement of the 2020 General Conference to August 2022. The General Conference had been previously postponed to August 2021 due the COVID-19 pandemic. It is now scheduled to take place August 29 to September 6, 2022, in Minneapolis, Minnesota.

"Our current Book of Discipline was never written with a worldwide pandemic in mind. When we became aware of the need for a further postponement, we knew that some action needed to be taken in order to free the church to operate and continue to fulfill its current mission until we could gather in person," Bishop Harvey stated, noting that substantive issues related to separation and regionalization should be reserved to an in-person forum where debate, amendment, and discernment could be conducted with integrity and full participation....
