We believe love in action can change the world

The theme for the 2022-2023 United Women in Faith program year is “*Mosaic of Faith: We Are All Part of God's Story*”. May’s program was about bold women in the Bible, and we talked about the important women in our lives. If you are interested in learning more about United Women in Faith and our work in the world, please consider joining us at one of our meetings. We will be taking June and July off with meetings resuming in August.

Save the date for Sundae Sunday. Please plan to attend our ice cream social after service on Sunday, August 20th. A freewill offering will be collected with all donations going to United Women in Faith mission programs.

United Women in Faith will meet on Monday, August 21st at 7pm in the Fellowship Hall. All women are welcome; please consider joining and putting your faith in action!

United Women in Faith Mission u

Each year, United Women in Faith members prepare for faithful living and action by engaging in transformative educational experiences at Mission u events. These events are centered around Mission u curricula that are designed to motivate, inform, and enrich our commitment to global ministry.

Join us at Mission u as we explore the good news and what it means for our lives!

Summer is coming and so is Mission u, an in-person opportunity for women and children to fellowship and study together. There are 3 United Women in Faith weekends to choose from:

- June 2-4 at Monte Toyon Campground (Aptos) with Heather Hammer, pastor and study leader
- July 28-30 at ECCO Conference Center (Oakhurst) with Katherine Parker, missionary and study leader
- August 25-27 at Centennial UMC (Sacramento) with Lee Neish, pastor and study leader

All sessions also offer youth and children's groups. This year's theme is "Living the Kin-dom," a study of The Lord's Prayer.

To register visit www.canvuwf.org/mission-u for more information and registration details. Invite a friend and make this a meaningful experience for your summer!

Youth Group

Our Youth have been remarkably busy with lots of activities and wrapping up the school year. We did have a great event at Rock & Jump. The balance beam with jousting seemed to be the favorite event. We will finish the Youth Calendar this year with a celebration at the Brentwood Water Park on June 4th.

If the Youth are interested in serving over the summer, they can sign up for special music or help with the many opportunities to serve and witness at Hope House.

We also want to congratulate all our graduates! Dream big and work hard! Your church family loves you!

Fellowship Hour Staffing

Please Coordinate within your assigned ministry to provide snacks, drinks, assistance, and clean-up for fellowship hour after the Sunday morning service. Thank you!

Lay Leader News

By Heidi Stark

The last month has been filled with joy and sorrow for me and my family. My husband, Luiz and I have three grown children and three adorable grandbabies. We're empty nesters, but we share our home with our much-loved pets – our cat, Lucy (17 years old) and our Pomeranian, Teddy (9 years old). Lucy has always been an indoor kitty who occasionally ventures to our backyard, but Teddy would generally chase her back in on those rare occasions. On April 18, about 10pm, I let Teddy out before we went to bed, and Lucy apparently slipped out unseen. I didn't see her go out and I didn't know she was missing until the next morning. I searched the house and all her usual hiding places when I didn't find her inside, I moved to the garage and the yard – nothing. The search continued to our next-door neighbors, and soon we were searching all over our neighborhood. We put up fliers, posted with animal services, and on neighborhood networks. We followed advice hoping to lure her home and tracked down leads, but no Lucy. After three weeks, we weren't hopeful that we would find her; it just seemed unlikely that a 17-year-old (that equates to about 100+ human years) pampered indoor kitty could survive the elements in the great outdoors. Now, through all of this I prayed. I had always imagined that Lucy would pass peacefully curled up cozy in the house – never once did I envision her going missing. The not knowing was making me crazy. I believed that God was with her, and I prayed that if it was possible, she might be returned to us. So, on May 10, I was chairing Ad. Council; I had silenced my phone for the meeting, but I forgot to silence my watch (I believe that was a God moment!). My watch pinged during the meeting, and I looked down to see a picture of a cat that looked like Lucy. When I checked my phone, it was a Ring post from someone in our neighborhood who was reporting that a sweet cat had been in her yard for a few days. I was able to text and leave a message but got no immediate response. I got home and received a call from the woman; she invited Luiz and me to come to her house immediately to see if the cat was ours. This woman lives less than a half mile from our house in our neighborhood. After three weeks missing, we found Lucy in her backyard and brought her home! She let me pick her up and immediately started to purr. Once home, she was happily greeted by Teddy, and she started slowly moving through the house – like she couldn't believe she was home (We couldn't believe it either!). She has always been a tiny kitty, but she was very skinny and weak. Fortunately, she was uninjured and after just a few days of food, water, sleep and love she showed great improvement. I share this story because God is good; He hears our prayers!

Now, I wish I could end the story there on that happy note, but with joy often comes sorrow. In a shocking turn of events on Friday, May 19 just 9 days after we brought Lucy home, I walked into my home office to find my sweet Teddy unresponsive. The day had started out normally for us; Teddy had enjoyed a belly rub as I made the bed, and we had a quick game of fetch. The gardener arrived, and I went outside to chat with him. About 10am, I walked down the hall to my office to get to work. I expected to find Teddy waiting for me there – my little shadow and lazy office mate. When I came into the room, he didn't move to greet me, his tail didn't wag, he didn't lift his head and in one sickening moment I knew he was gone. I was hysterical; I called Luiz and he rushed home. In my hysteria I prayed, and I begged God to give me back my little dog. This was not what we ever expected; he was not sick and nine is not old for a Pomeranian. We expected to have many more years with our beautiful, clever, all-around great dog. Our vet believes he had a massive heart attack and passed peacefully. While I'm thankful he didn't suffer, I'm struggling with the why of this.

Did God give us back Lucy because he knew Teddy's time was short? I don't know the answers, and Luiz and I have been gutted by this loss. Teddy was so much a part of our family and our routines; he is everywhere I look, and I am so sad. Recently, Pastor spoke about heaven. I believe that heaven exists for all of God's creatures, and Luiz and I take comfort in thinking of Teddy playing ball in heaven with my Dad and Luiz's parents. I know that he is safe in Jesus' care. Grief is real and hard, and it's the price we pay for loving. I am

thankful to have loved that precious ball of fluff and to have been loved in return. While I don't understand the why of this, I do trust God, and I'm so thankful that I don't walk this life alone.

God never promised a life without trouble, but He did promise to never leave us and to walk through everything with us. No one escapes life unscathed; it's important to remember that everyone is carrying burdens. How we respond to the challenges in our life matters – will we be bitter or try to do better? Jesus lived a life of love and compassion for all creation, and we should follow his example. We know that death is not the end. We are merely visitors here until Jesus comes to take us home, but while we wait to go home, we can live a heaven filled life and show the best of ourselves to others so that they might come to know Jesus too. See you later Teddy! We loved you so – thanks for loving us!

How are we doing?

Dave Funk and I are meeting monthly with Pastor to discuss and plan ways to come together and ways to reach out. **We need your help.** Please let us know how we are doing. Look for a little black box in the sanctuary – it's a locked box that Dave and I will access regularly. You can confidentially leave messages or prayer requests – whatever you want us to know. We're hoping that you will let us know your hopes and dreams for BCUMC. Also, let us know what you like or don't like (sermons are too short or too long, more music, less music, study ideas, small group ideas, fellowship ideas, etc...) Your input will inform our actions and we want to make sure we are accurately reflecting the wants and needs of our congregation. We are acting on the feedback we receive, and things are happening! Change isn't always easy, but sometimes we need to experiment to find the best way forward. Our Worship Committee is proposing changes to our order of worship which will allow an additional hymn during service which has been a wish of many. We are continuing to look at ways to increase our presence in the community, and we ask you to please think about who we are as a Church and how we can work together to help transform hearts and minds and spread the good news of Jesus and bring glory to God.

Your Lay Leaders are available to listen; please call or text Dave Funk at 925-628-8938 or email drfunk519@gmail.com or Heidi Stark at 925-216-4709 or email hstark@cobaltc.com.

Let all that you do be done in love. – 1 Corinthians 16:14

MAKE A JOYFUL NOISE

We continue to receive requests for more music and singing! Please let us know what you want to sing and hear. The tree cutout in the Fellowship Hall is awaiting your musical suggestions. Write the title of your favorite hymn on a leaf and attach the leaf to the tree (Velcro dots are amazing!). Hopefully, we will fill our tree with a variety of music, and that can be incorporated into our services starting this Summer and beyond. Please help us make a Joyful Noise!

SUNDAY NIGHT LIVE/VOYAGERS

Voyagers, your Lay Leaders and Pastor are teaming up to host a fun evening of food, fellowship and music. In fellowship hall! All men are welcome! Come and enjoy a hot breakfast and fellowship.**

On Sunday 21 May 2023,

the men conducted our annual barbeque as a thank you to the whole church for all your support throughout the year. It was a great success for the Church, the Men's Group, and the Pastor!

There were nearly 70 people in church this Sunday and the Men's Group fed most of them. In addition, the Pastor had the largest number of folks in her membership class since before the pandemic!

As for the men, we served 60+ people and everyone seemed pleased with our food preparation and menu.

Thank you to Jerry Walton, Bill Vaughan, Larry Schaffer, Gbenga Olayomi, Den Bowman, Scott Baxter, Tony Webb, and last-minute helpers to sign up and help Rick Dunn, Ed Johnson, and Larry Spiess.

Again, a huge Thank-You to all who made this event a real success for our church, and thanks to the above men who purchased all the wonderful food as well!

The Men of this church are awesome and care about serving Christ and being a great Steward of the church!!!

Yours in Christ,
UMM

HAPPY FATHER'S DAY

Each day as we journey
Through the seasons of life
We carry within us
All the blessings and care
From our fathers and men
Who showed fatherly kindness.

If there were difficult times
With our earthly fathers
We now look for ways
To forgive and understand
That they were carrying
Their own difficult burdens
And doing their best
With what they had.

We now remember our fathers
With thoughts of love and peace
Grateful for their fatherly care
Even as we live now
In the peace, protection
Wisdom, love and care
Of our Heavenly Father.

Brentwood Community Adult Bible Study Summer 2023

INSPIRED BY GOD, June 02 to August 2023

A comprehensive Bible study plan and spiritual practices to deepen your relationship with God. Inspired By God Student Booklet Donation of \$13.99

This summer, our Bible lessons follow the theme “**Inspired by God**” and help us look at the careful design of Scripture and the art and poetry through which it touches our hearts and minds. They then move into a consideration of one of Scripture’s most practical categories, wisdom literature, followed by a look at some of Scripture’s heroes, who might surprise us. The lessons in this unit look at some of the different kinds of writings we find in Scripture and how God speaks to us through writings such as the Law, the prophets, visions, and the psalms. They invite us to dwell within Scripture’s reality rather than a reality of our own construction.

Wisdom, living with wisdom affects how we think, speak, act/ behave, relate to God, and relate to others. What constitutes wisdom according to the Bible is not conventional wisdom about how to stay safe and healthy or how to prosper in life. Conventional wisdom tells us not to give aid or comfort to an enemy, whereas biblical wisdom teaches us the opposite. Conventional wisdom tells us to store up our grain in barns for tomorrow, whereas biblical wisdom encourages us to share what we have with those whose need is for today.

Heroes and Anti-Heroes; The men and women of the Bible who “save the day” are not the typical heroes of Western mythology. They do not have superhuman powers; they are not mighty warriors; they are not descended from the gods. They are ordinary men and women who use their status and situation to serve God’s purpose or people in need. The people who tradition prefers to make into heroes of kings and warriors frequently disappoint us by using their power to serve themselves.
