If you are unable to work on your assigned week, it is your responsibility to find a replacement or to switch with someone. Members who have offered to fill-in, if available, are: Shirley Muelken, Patti Simmet, and Cami Hartleben. Feel free to try one of these members first.

The key to the building is located on a squeegee hanging in the "cleaning closet". Arrange with your team partners to pick it up the Sunday before your assigned week and return it the following Sunday for the next team to pick up. Cleaning can be done any time after Wednesday night activities through Saturday night, but please remember to check the church calendar for any special activities during your assigned week. Pick up clipboard with the cleaning checklist from within the cleaning closet to make sure you don't miss any tasks and to see if there are any special instructions. Please sign and date the checklist when you have completed your rotation. Please notify Cami Hartleben by phone or text (651-269-8989) or email (cstenquist01@hamline.edu) when supplies are running low.

Thank you for your cooperation in keeping our worship space looking good!
