Notes

1. **For announcement to the market** The percentage changes referred to in this section are the percentage changes calculated by comparing the current period's figures with those for the previous corresponding period. Do not show percentage changes if the change is from profit to loss or loss to profit, but still show the amount of the change up or down. If changes in accounting policies or procedures have had a material effect on reported figures, do not show either directional or percentage changes in profits. Explain the reason for the omissions in the note at the end of the announcement section. *Issuers* are encouraged to attach notes or fuller explanations of any significant changes to any of the items in page 1. The area at the end of the announcement section can be used to provide a cross reference to any such attachment.
2. **True and fair view** If this statement does not give a true and fair view of a matter (for example, because compliance with an Accounting Standard is required) the *issuer* must attach a note providing additional information and explanations to give a true and fair view.
3. **Consolidated statement of financial performance**
 - Item 1.1 The definition of "revenue" is set out in *AASB 118: Revenue*
 - Item 1.6 This item refers to the total tax attributable to the amount shown in *item 1.5*. Tax includes income tax and capital gains tax (if any) but excludes taxes treated as expenses from ordinary activities (eg. fringe benefits tax).
4. **Income tax** If the amount provided for income tax in this statement differs (or would differ but for compensatory items) by more than 15% from the amount of income tax *prima facie* payable on the profit before tax, the issuer must explain in a note the major items responsible for the difference and their amounts. The rate of tax applicable to the franking amount per dividend should be inserted in the heading for the column "Franking rate applicable" for items in *section 9*.
5. **Consolidated statement of financial position**

Format The format of the consolidated statement of financial position should be followed as closely as possible. However, additional items may be added if greater clarity of exposition will be achieved, provided the disclosure still meets the requirements of *AASB 134: Interim Financial Reporting*, and *AASB 101: Presentation of Financial Statements*. Banking institutions, trusts and financial institutions may substitute a clear liquidity ranking for the Current/Non-Current classification.

Basis of revaluation If there has been a material revaluation of non-current assets (including investments) since the last annual report, the *issuer* must describe the basis of revaluation adopted. The description must meet the requirements of *AASB 116: Property, Plant and Equipment*. If the *issuer* has adopted a procedure of regular revaluation, the basis for which has been disclosed and has not changed, no additional disclosure is required.
6. **Consolidated statement of cash flows** For definitions of "cash" and other terms used in this statement see *AASB 107: Cash Flow Statements*. *Issuers* should follow the form as closely as possible, but variations are permitted if the *directors* (in the case of a trust, the management company) believe that this presentation is inappropriate. However, the presentation adopted must meet the requirements of *AASB 107*.
7. **Net tangible asset backing** Net tangible assets are determined by deducting from total tangible assets all claims on those assets ranking ahead of the ordinary *securities* (i.e. all liabilities, preference shares, outside equity interests, etc). Mining *issuers* are *not* required to state a net tangible asset backing per ordinary *security*.
8. **Gain and loss of control over entities** The gain or loss must be disclosed if it has a material effect on the consolidated financial statements. Details must include the contribution for each gain or loss that increased or decreased the issuer's consolidated operating profit (loss).

Review of Operations

Review of current period operations

During the period the Company's losses amounted to \$196,011 (December 2017 profits: \$1,355,946). The \$1,551,957 decrease is primarily due to the \$90,321 of investment losses and nil gain of proof of debt from Octaviar Ltd (in the prior period \$1,467,197 gain of proof of debt from Octaviar Ltd).

In prior years, the liquidators of Octaviar Ltd had advised the Company that \$205,694,371 of the proof of debt claim had been allowed. To date, the Company received \$2,014,941 in respect of that debt claim. Due to the uncertainty around the amount and timing of future payment, the Company continues to show the Octaviar debts receivable at zero value in ARL's balance sheet.

The expenses of ARL have been reduced, resulting in a \$20,728 decrease compared to the prior period; primary due to:

-) Legal fees decreased by \$23,604 to \$900 for the period (December 2017: \$24,504); offset by
-) NSX listing fees on the release of escrowed shares \$8,086 (December 2017: \$nil).

At the Annual General Meeting held on 24 October 2018, the following resolutions were approved by the shareholders:

-) Mr Giles Craig was re-elected as a director of the Company;
-) Ms Sarina Roppolo was elected as a new director of the Company;
-) on-market buy-back of up to 632,571 fully paid ordinary shares in the Company (representing approximately 20% of the Company's issued shares as at 5 September 2018) in the 12 month period to 23 October 2019;
-) special resolution to issue shares to directors in lieu of their 2019 directors' fees (board total fees: \$150,000 per annum) at \$3.015 per share under the Non-Executive Share Plan.

History of ARL and assignment of assets from the PIF

ARL was a special-purpose entity established specifically to hold mortgage loans, underlying security, interest in and benefits from claims assigned from Perpetual Nominees Limited ("PNL") as Custodian of the Premium Income Fund ARSN 090 687 577 ("PIF").

The mortgage loans, underlying security, interest in and benefits from claims made as described above as assigned by PIF are collectively referred to as the "Assets".

On 4 September 2012, \$50,465,000 of assets and certain associated liabilities were assigned to ARL from PNL as Custodian of the PIF. In consideration for the assignment of the above noted assets and associated liabilities, ARL issued 830,532,768 shares to PIF who then made an *in specie* distribution of the ARL shares to PIF unit holders.

**ASSET RESOLUTION LIMITED
DIRECTORS' REPORT CONTINUED
FOR THE HALF YEAR ENDED 31 DECEMBER 2018**

On 18 December 2012, PIF through PNL, assigned to ARL the remaining 40% debt and charges over six companies of \$4,490,000 referred to as The Forest Resort companies (these assigned assets form part of the reference to the "Assets"). In consideration for these assigned assets, ARL issued a further 150,025,399 shares to PNL as Custodian of PIF.

As at 31 December 2018, all assets except for the interest in the benefit of the Proof of Debt in Octaviar Limited and Octaviar Administration Pty Ltd ("Octaviar Debt"), have been realised or impaired. The Octaviar Debt is shown with a fair value of \$nil (prior period \$nil). Refer to Note 11 for further details.

Events subsequent to balance date

There are no matters or circumstances that have arisen since 31 December 2018 to the date of this report which have significantly affected or may affect:

- a) the company's operations in future financial periods; or
- b) the results of those operations in future financial periods; or
- c) the company's state of affairs in future financial periods.

NOTE 1: BASIS OF PREPARATION OF THE INTERIM FINANCIAL REPORT

The financial report of Asset Resolution Limited (“the Company”) for the half-year ended 31 December 2018 was authorised for issue in accordance with a resolution of the Directors on 13 February 2019. Asset Resolution Limited is a company incorporated and domiciled in Australia and limited by shares.

This general purpose financial report for the half-year reporting period ended 31 December 2018 has been prepared in accordance with Accounting Standard *AASB 134 Interim Financial Reporting* and the *Corporations Act 2001*.

This interim financial report does not include all full note disclosure of the type normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2018.

Accounting policies

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period except for the adoption of the following standards:

New and revised standards

A number of new or amended standards became applicable for the current reporting period and the Company had to change its accounting policy as a result of adopting *AASB 9 Financial Instruments*.

The impact of the adoption of these standards and the new accounting policies and new accounting policy is disclosed below. The other standards did not have an impact on the Company’s accounting policies and did not require retrospective adjustments.

- (i) Investments and other financial assets

Classification

From 1 July 2018, the Company classified its financial assets in the following measurement categories:

-) Those to be measured subsequently at fair value (through OCI, or through profit and loss);
and
-) Those to be measured at amortised cost.

The classification depends on the Company’s business model for managing the financial asset and the contractual terms of the cashflows.

For assets measured at fair value, gains and losses will either be recorded in profit and loss or OCI. For investments in equity instruments that are not held for trading, this will depend on whether the Company has made an irrevocable election on the initial recognition to account for the equity instrument through other comprehensive income (FVOCI).

The Company reclassifies debt instruments when and only when its business model for managing those assets changes.

Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit and loss (FVPL), transaction costs that are directly attributable to the acquisition of the financial assets. Transaction costs of financial assets carried forward at FVPL are expensed in the profit and loss.

Financial Assets with embedded derivatives are considered in their entirety when determining whether their cashflows are solely payments of principal and interest.

ASSET RESOLUTION LIMITED
NOTES TO THE INTERIM FINANCIAL STATEMENTS CONTINUED
FOR THE HALF YEAR ENDED 31 DECEMBER 2018

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cashflow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

-) Amortised costs: Assets that are held for collection of contractual cashflows where those cashflows represent solely payments of principal and interest at amortised cost. Interest income from these financial assets is included in financial income using the effective interest rate method. Any gain or loss arising on the derecognition is recognised directly in the profit and loss and presented in other gains/(losses), together with foreign exchange gain losses, where applicable. Impairment losses are presented as separate line items in the statement of profit or loss.
-) FVOCI: Assets that are held for collection of cashflows and for selling the financial assets, where the asset's cashflows represent solely payment of principal and interest, are measured at FVOCI. Movement in the carrying amounts are taken through the OCI, except for recognition of impairment gains and losses, interest revenue and foreign exchange gains and losses, which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gains and losses previously recognised in OCI are reclassified from equity to profit and loss and recognised in other gains/(losses). Interest income for these financial assets is included in financial income using the effective interest rate method. Foreign exchange gains and losses, if applicable, are presented in other gains/(losses) and impairment expenses are presented as a separate line item in the statement of profit and loss.
-) FVPL: Assets that do not meet the criteria for amortised cost or FVOCI are measured at FVPL. A gain or loss on a debt investment that is subsequently measured at FVPL is recognised in profit or loss and presented net within other gains/(losses) in the period in which it arises.

Impairment

From 1 July 2018, the Company assesses on a forward-looking basis the expected credit losses associated with its debt instruments, carried at amortised cost and FVOCI. The impairment methodology is applied based on whether there has been a significant credit risk.

For trade receivables, the Company applies the simplified approach permitted by AASB 9, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Fair value

The fair value of the Company's financial assets and financial liabilities approximate their carrying value. Where the Company has readily traded financial assets and financial liabilities they are valued at their current traded value.

NOTES TO THE INTERIM FINANCIAL STATEMENTS CONTINUED
FOR THE HALF YEAR ENDED 31 DECEMBER 2018

There are no instruments excluded from the calculation of diluted earnings per share that could potentially dilute basic earnings per share in the future because they are anti-dilutive for either of the periods presented.

There have been no other transactions involving ordinary shares or potential ordinary shares that would significantly change the number of ordinary shares or potential ordinary shares outstanding between the reporting date and the date of completion of these financial statements.

NOTE 4: DIVIDENDS PAID AND PROPOSED

No dividends have been paid during the current period and no dividends have been proposed. No dividends were paid during the prior period.

NOTE 5: CASH

Payments during period	500,000	-
Impairment (loss)/gain on mortgage loans	-	-
Balance at the end of the period	3,250,000	2,750,000

During the prior year ended 30 June 2017 a secured loan of \$3,250,000 was provided to John Sergeant and Jennifer Sergeant (“Sergeants”). In the year ended 30 June 2018, \$500,000 from the secured loan of \$3,250,000 was repaid by the Sergeants at the request of the Company. In the current period the \$500,000 loan was re-issued to the Sergeants. The loan was established to provide a commercial benefit to both parties, the Company is earning a higher interest than can be obtained on its bank savings and Mr Sergeant is saving interest. In addition, the loan terms include requirements to reduce the risks for the Company. The key terms of the loan are as follows:

-) The funds are secured over John Sergeant’s holding of units in the managed investment fund known as Samuel Terry Absolute Return Fund.

ASSET RESOLUTION LIMITED
NOTES TO THE INTERIM FINANCIAL STATEMENTS CONTINUED
FOR THE HALF YEAR ENDED 31 DECEMBER 2018

- J Sergeants are required to hold these funds in a mortgage offset account that allows for instant access to the funds should the funds be required by Asset Resolution Limited. The Company did call on this loan during the period to fund a potential investment, the investment bid was unsuccessful and the loan was reinstated.
- J Interest is paid monthly and is charged at a rate of 3% per annum. Interest of \$47,795 has been paid in the period (year ended June 2018: \$93,514).
- J Default interest is applied if any interest or repayment demand is not met, the rate is calculated based on the company's cost of borrowing the funds from a bank plus a margin of 3%.
- J The loan is repayable within 3 business days.

During the period the Company announced a variation to the loan agreement for the period from 15 January 2019 to 30 June 2019. The variation applied to the sum of \$1,250,000, the rate of interest payable has been increased by 1% per annum, in consideration of a change to the restriction on the Sergeant's, applicable to that sum, including that such sum shall be repayable within 10 business days rather than 3 business days' notice.

- (1) On 13 February 2017 Asset Resolution Limited completed a shareholder approved unmarketable parcel buyback at \$2.12 per share.

- (2) At the 2017 Annual General Meeting Asset Resolution Limited shareholders voted in favour of Off-market Buyback and On-market Buyback resolutions. The On-market Buyback commenced in the period and allows the Company to buy back Shares of up to 806,274 (June 2017: 981,088) ordinary Shares on market over the 12 months following the date of the Annual General Meeting. During the period, Asset Resolution Limited have bought back 50,769 shares at \$2.13 average price per share (year ended 30 June 2017: 253,823 shares at \$2.12 per share).
- (3) At the 2018 Annual General Meeting Asset Resolution Limited shareholders voted in favour of Directors' fees being paid in shares rather than cash; during the period Directors fees of \$150,000 (June 2018: \$162,502) were paid via the issue of 70,422 (June 2018: 81,251) shares at \$2.13 (June 2018: \$2.00) per share.

NOTE 9: EVENTS OCCURRING AFTER BALANCE SHEET DATE

No matters or circumstances have arisen since 31 December 2018 to the date of this report which have significantly affected or may affect:

- a) the company's operations in future financial periods; or
- b) the results of those operations in future financial periods; or
- c) the company's state of affairs in future financial periods.

NOTE 10: CONTINGENT LIABILITIES

The Directors are not aware of any contingent liabilities in existence at balance date, nor at the date of signing of the financial report.

NOTE 11: CONTINGENT ASSETS

Octaviar Limited debt

The Company is owed \$204 million (June 2018: \$204 million) by Octaviar Limited (formerly MFS Limited) and approximately \$137 million (June 2018: \$137 million) by Octaviar Administration Pty Ltd (formerly MFS Administration Pty Ltd).

In December 2017, the liquidators of Octaviar Limited advised ASS that \$205,694,371 of that claim has been allowed. As at 31 December 2018 the Company has been paid a total of \$2,014,941 by Octaviar Limited in respect of this debt, since the claim was allowed.

Although both companies have substantial amounts of cash and other assets that are potentially available to creditors, there are legal disputes about the status of some creditors of each company.

Both companies have spent substantial amounts on liquidators' and legal fees, and it is possible that further substantial amounts could be spent before the companies are wound up.

For the reasons set out above, it is impossible to forecast with confidence how much Asset Resolution Limited might recover from these assets, nor is it possible to forecast when Asset Resolution Limited might receive any money from them. Accordingly, the directors have resolved to continue showing the Octaviar debts at zero value in Asset Resolution Limited's accounts.

NOTE 12: COMMITMENTS

There are no commitments at 31 December 2018 or 30 June 2018.

NOTE 13: OPERATING SEGMENTS

The Company has operations in one business segment, distressed asset management.

ASSET RESOLUTION LIMITED
NOTES TO THE INTERIM FINANCIAL STATEMENTS CONTINUED
FOR THE HALF YEAR ENDED 31 DECEMBER 2018

The distressed asset management segment primarily involves the management of distressed property securities, distressed debt and distressed corporate assets.

All operations are conducted in Australia.

NOTE 14: KEY MANAGEMENT PERSONNEL

The names of the persons who were key management personnel of the Company at any time during the current or prior financial year are as follows:

Giles Craig (Chair) appointed 11 September 2015

John Sergeant (Director) appointed 11 September 2015, resigned 28 February 2018

Independent Auditor's Review Report

To the Members of Asset Resolution Limited

Report on the review of the half year financial report

Conclusion

We have reviewed the accompanying half year financial report of Asset Resolution Limited (the Company), which comprises the consolidated statement of financial position as at 31 December 2018, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half year ended on that date, a description of accounting policies, other selected explanatory notes, and the directors' declaration.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the half year financial report of Asset Resolution Limited does not give a true and fair view of the financial position of the Company as at 31 December 2018, and of its financial performance and its cash flows for the half year ended on that date, in accordance with the *Corporations Act 2001*, including complying with Accounting Standard AASB 134 *Interim Financial Reporting*.

Directors' responsibility for the half year financial report

The Directors of the Company are responsible for the preparation of the half year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of the half year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on the half year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2018 and its performance for the half year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the

Corporations Regulations 2001. As the auditor of Asset Resolution Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
