

Pre-K April Additions

Added to our April activities will be the following:

WEDNESDAY, APRIL 24-BABY PICTURE DAY

During the week of April 22-26 we will be talking about the letter “Y.” We will be talking about what it is like to be very “young.” We are asking the children to bring one of their favorite baby pictures to school on Wednesday. Please put your child’s name on the back of your picture. The children will try to guess who is in each picture. Each year the children usually do a very good job of guessing who their friends are. (Your pictures will be returned to you when we are finished with them on Wednesday.)

FRIDAY, APRIL 26-FIREMEN VISIT

Several firemen from one of the local fire stations in Bethlehem will be coming to talk to the children in our Pre-K classes about fire safety. The children will not only learn many good safety rules and how to be safe during a fire, they will also learn about the equipment firemen use, their uniforms, and will get a chance to sit in a fire truck, and weather permitting, use the fire hose.
