We began our Future Fund campaign in April of 2023, and at the beginning of November 2024 we have paid \$141,550.00 on our mortgage through your contributions to the campaign and our regular mortgage payments. We still have a long way to go, however. If you have not already, you can get in on the giving through a one time gift or a recurring donation. Please be sure and mark it for the Future Fund. Half will go to the mortgage and half to a future building project.
