Valued and Loved

Abortion: *“the deliberate termination of a human pregnancy resulting in death”*

- I. Thoughts from the _____ Community
- II. Thoughts from the _____ of _____ (Psalm 139:13-14; Job 31:15; Genesis 1:27)
- III. Thoughts that Argue _____ Abortion
- IV. Show _____ to Everyone. (Ephesians 4:32)

Questions that Can Be Used in the Abortion Debate

- Do you think science should have a good role to play in the abortion debate? If I can demonstrate scientifically that the unborn are human, would you then agree that they deserve the same rights and same treatment as other human beings?
- Why are racism and sexism wrong? If it's wrong to hurt people because of skin color or gender, why is it okay to hurt them because of size, level of development, environment, or degree of dependency? Aren't we just swapping one form of bigotry for another?

Sticky Statement

In your passion, show courageous compassion.

Student Notes

Small Group Discussion Questions

What scientific arguments can be made in support of the pro-life argument?

What does the Bible say about abortion?

What are some other arguments you have heard in support of abortion?

What is one way you can show courageous compassion to someone this week?

Next Steps

How will you be a “doer of the Word and not a hearer only” (James 1:22)?

Please complete the following sentence: “As a result of hearing this lesson, I will...”
