

ALPHA FACTS

Captivate

Create Your Future

Whether you are creating professional eLearning content with advanced interactivity, software and scenario simulations, quizzes, and other engaging experiences, an AlphaCC Adobe Captivate course is what you need to bring out and enhance your creative skills. Adobe Captivate works with other software such as Photoshop and Illustrator for the production of engaging graphics to ensure a smooth workflow.

AlphaCC Captivate Level 1

Captivate Level 1 introduces Adobe Captivate, the industry standard eLearning software. In this course you'll learn to create dynamic presentations, interactive application simulations and quizzes which can be published to the web, desktops, YouTube and mobile devices.

Course Prerequisites:

Previous experience using applications on a PC or Macintosh is an essential prerequisite for this course.

Course Duration:

Two days 9:00 am – 4:30 pm

Captivate Level 2 covers intermediate and advanced techniques for producing engaging eLearning content. Convert PowerPoint documents to dynamic web and mobile-ready presentations, add randomised question pools to quizzes, work with actions, variables and widgets, report quiz results to Learning Management Systems, create master slides and templates, and more.

Course Prerequisites:

The prerequisite for this course is the Adobe Captivate Level 1 (2-day) course or have equivalent knowledge. You have completed InDesign L1 or have equivalent knowledge.

Course Duration:

Two days 9:00 am – 4:30 pm

Alpha CC Courses include:

- Commercial coursenotes with tutorials and exercises
- Certificate of Completion
- After course support
