Create Your Future

Whether you are creating brochures, flyers, posters or booklets for print or digital mediums, an AlphaCC Adobe InDesign course is what you need to bring out and enhance your creative skills. As part of Adobe's renowned creative suite, InDesign is a specialised layout program that works alongside Photoshop, Illustrator and Acrobat to ensure a smooth workflow.

## InDesign Level 1

This course introduces Adobe InDesign, the industry standard desktop publishing application. InDesign is designed to create both printed and electronic layouts of all types. In this course you'll learn to create professional print and pdf documents from posters and flyers to newsletters and annual reports using a broad range of InDesign techniques. Our comprehensive courseware is supplied.

**Course Prerequisites:** Previous experience using applications on a PC or Macintosh is an essential prerequisite for this course.

**Course Duration:**

Two days 9:00 am – 4:30 pm

## InDesign Level 2

InDesign Level 2 builds on the skills developed in the InDesign Level 1 course and goes beyond the basics to increase efficiency and further customise document creation. More complex page layout and text and object formatting techniques are covered, improving your workflow and taking your publications to a new level. The course also covers exporting to ePub (eBooks), HTML and other formats, increasing your publication's reach and potential. Comprehensive Alpha courseware is supplied.

**Course Prerequisites:** You have completed InDesign L1 or have equivalent knowledge.

**Course Duration:**

Two days 9:00 am – 4:30 pm
