Payroll

VRM provides a fully integrated web based payroll processing system that will help your organization focus on the day to day operations and not get tied down to the redundancies of running payroll.

Reduce errors and time spent on payroll with our state of the art payroll service. An online self-service format for employers and employees to be able to view paystubs, view vacation hours and download your W-2 forms.

Our payroll service includes:

- Regular Bi-Weekly and Semi-Monthly Payroll Processing
- Wage and Hours Compliance
- Tracking of Paid Time Off
- Time and Attendance
- Manual Checks
- Payroll Tax Filing
- Data Entry of all incoming Employee Status changes
- Garnishment Processing
- Paid Time Off Management
- Exception Based Reporting
