

Shaw Merchant Group's ISO Registration Program

Are you interested in [becoming an ISO](#)? Simply attain a minimum amount of sales for three months and we will help you out by sponsoring you and saving you the ten thousand dollars in upfront costs. We'll take care of what you need by giving you a merchant statement, a free terminal program to pass on to your clients, customer support, and all the software that you need to overlook your back-end. Allow us to help you get on track to becoming a full ISO!

If you sign up for our program, you will have access to many benefits, including:

- Your own merchant statements with your label
- Less liability than if you started on your own
- Support from us on the back-end
- Software that is branded with your company name
- Tech support for your customers
- Replacements for malfunctioning equipment
- Short-term loans / cash advances
- Services to help you make sense of your statements
- Training material for your agents
- Reimbursement for health insurance of your agents
- The ability to keep track of leads online
- Internet marketing opportunities
- The ability to process loyalty cards, cheques, and gift cards
- The ability to service high risk clients
- The ability to service convenience stores and gas stations
- Access to many different platforms
- The ability to sell or borrow against your portfolio
- Depending on qualifications, the ability to borrow capital
- We will take care of registration costs
