FREE Training:

Once your membership is complete, and you can access the member's only portion of each website, you can sign up for and take any of the online courses. But if you want CE credit for the courses that you take, you must take courses that are approved by the Arkansas Home Inspectors Board. To see which courses are approved, go to the ahib.org website and look under the Continuing Education tab.

Currently, the following courses are approved by the Arkansas Home Inspectors Registration Board.
