

A CENTER FOR YOUTH ENTERPRISE

Dec. 1, 2019

Dear Friends,

Kansas City and the youth of our community are at a crossroads, and ArtsTech is determined to make a positive and lasting difference. In addition to partnering with others throughout the KC area who also recognize this significant and worthy opportunity, ArtsTech needs your help.

Our mission is simple. **We better the lives of underserved urban youth** through the development of artistic, technical, health, and educational skills. We accomplish this by operating a center in the Crossroads District of Kansas City that provides educational and health services for youth as well as **marketable, hands-on training** for them in visual arts, graphic design, ceramics and technology. Additionally, we build and manage collaborative public/private partnerships that benefit our community with the assistance of numerous artists, funders, patrons and volunteers.

**As you contemplate your philanthropic options by year-end, as well as in the coming year, please consider ArtsTech.**

Through your generous support, programs such as Employment and Training, Healthy Lifestyles, Splash Mob, Club KC, Fiber Arts/Sewing, Going Stronger Longer #2080, Digital Literacy and Hip-Hop Teen Summits will continue to thrive and directly benefit our community's most valuable resource – our youth. ArtsTech serves 3,000+ youth yearly through our various youth programs.

Simply complete the enclosed form, indicating your level of financial support. Return the form with a check or complete the online donation form. **Every dollar makes a difference and is greatly appreciated!**

From all of us at ArtsTech, and the thousands of urban youth we have served since 1973, have a wonderful holiday season and thank you for making a difference.

Sincerely,

A handwritten signature in black ink that reads "Dave".

David J. Sullivan  
Executive Director
