

Nursery Room 0 –2 yr olds only available in Little Darlings I

Our nursery is called the Dolphin room and caters for 10 0-2 yr olds.

We employ 3 qualified staff to run this room who work the same shifts each week to provide consistency for your child.

The nursery has a spacious and soothing indoor play area with a variety of learning centres such as a relaxation area, sensory area, construction, role play etc. Separate bathing and nappy change facilities are provided and separate areas for bottle preparation.

The nursery also has 2 cot rooms with 5 in each room. Children have the same cot for the year to ensure consistency and all cots are safety approved.

The nursery also has its own outdoor area to ensure a suitable play space that is comfortable for our children.
