

Statement

At Little Darlings Child Care Centre we aim to provide a high quality of service.

In order to keep a service operating efficiently and effectively parents and staff need to work together to ensure the best interests of the child are catered for and needs are met.

This is ensured by clear policies, which are a guide of consistent and efficient operation of the centre.

Policies are encouraged to be developed by parents, staff and management input. This provides an understanding of the centre operation by all.

Policies have room for development and new ideas as the centre grows and with different situations and experiences.
