

Toddler Room 2 – 3 yr olds

This room is called the starfish room and caters for 16 2-3yr olds with 2 qualified staff and a third staff being the assistant.

The starfish room has child accessible lockers to encourage independence and various learning centres with a variety of activities accessible to children to incorporate in their play and learning.

These areas include construction corner, drama corner, cognitive area, fine motor and sensory area, quiet corner, story telling and group area and art and craft corner.

The toddler room has separate nappy change facilities and toileting areas suitable to children.

All meal areas are allocated in a separate dining area for hygiene.

Beds are provided for rest time and if rest is not needed they can join in on quiet activities.
