ALABAMA LIBRARY EXPO

RULES, REGULATION AND INSTRUCTIONS

1. Acceptance: Applicants will be accepted on first received/first served based on date of receipt of application and accompanying check. An application submitted without an accompanying check paying the full exhibit fee is not considered binding by Alabama Library Expo for the reservation of an exhibit table.
2. Use of exhibit table space:
 - Subletting of exhibit tables or space occupied by exhibit table is prohibited. No exhibitor shall assign, sublet, or apportion the whole or any portion of table space allotted, nor exhibit therein any goods other than those manufactured or distributed by the exhibitor in the regular course of business, nor permit any firm not exhibiting to solicit business or take orders in his place.
 - Sound equipment may be used for demonstration only. The use of sound or music for attracting attention is prohibited.
 - Exhibit tables furnished at each exhibit location establish the exhibit space allotted to each vendor (either 6' or 8' depending on the tables furnished at each location). Book fair vendors or any vendor utilizing display cases in lieu of display tables shall count each opened display case as one table and shall restrict the width of the open display cases to the width of the tables supplied at each location (either 6' or 8' depending on the tables furnished).
 - Extra tables or floor display stands may be used only in conjunction with the rented exhibit tables provided at each location if these items are placed in front of the rented table (or display case) and do not interfere with the attendees' movement through the aisles or from table to table. If the extra tables or floor display stands do not adhere to these guidelines, an extra table to provide space for these items should be rented. No display case or placement of other display devices shall in any way block the aisle of the exhibit area or unfairly prevent attendees from viewing or visiting adjoining exhibit display tables. All decisions concerning the placement of exhibit tables, exhibit display cases, or other alternative display devices used in the Alabama Library Expo exhibits areas shall be made by the ALE Exhibits Coordinator and shall be final and binding upon the membership.
3. Absence of liability: Alabama Library Expo does not carry insurance covering exhibits and does not assume any responsibility for damage arising from fires, lightning, smoke, civil commotion, or safety of property from theft. It is expressly understood that the exhibitor assumes all risks at all times relating to participation in the exhibit.
4. Terms of payment: There is a rental charge of \$600 per table for a table at all four locations, or \$200 per table for a single location, if payment is received on or before July 31, 2019. After July 31, 2019, rental charge is \$700 per table for all four locations, or \$250 per table for a single location. No refund of exhibit fees will be made after August 9, 2019. No exhibitor will be allowed to place materials or equipment in the exhibit halls or areas until full payment of the table rental is received prior to the meeting date. Checks should be made to Alabama Library Expo and mailed to PO Box 680122, Prattville, AL 36068.
