

God, Bless Our Dear Mothers

Verse One

**Our mothers toil both night and day,
With strength from God above.
With grace they give themselves away
And demonstrate God's love.**

Verse Two

**A mother's care, the sweetest known,
Upon this sinful earth;
A blessing from God's holy throne,
That starts before the birth.**

Verse Three

**A mother's hands are soft and warm,
They guide the whole life through;
Protecting from the hurt and harm,
With love that's tried and true.**

Verse Four

**Our grateful thanks we clearly sing,
For mothers kind and dear.
We thank the Lord, our gracious King,
For mothers far and near.**

Chorus

**God, bless our dear mothers,
God, bless our dear mothers,
God, bless our dear mothers,
With favor from on high.**
