Early Christmas from a Beardless Santa

Students in Burley receive an early Christmas

October 26, 2016 (Burley, ID) - The Migrant & Seasonal Head Start center Emiliano Zapata, of the Community Council of Idaho (CC Idaho) wishes to thank the beardless Santa that presented much-needed gifts to all of our students last week. Once again, dozens of children from our Head Start program in Burley received winter coats AND were even gifted snow pants from farmer Ryan Cranney and McCain Foods in Burley. Cranney was presented with a certificate signed by the students. Seeing the scribbles, fingerprints, and a first letter from the few that write had Cranney tearing. It's heartwarming to know that our children are supported by local community businesses.

On behalf of CC Idaho thank you, Ryan Cranney and McCain Foods of Burley.

Nuestros pequeños de Burley reciben un adelantado en regalos Navideños

26 de Octubre, 2016 (Burley, ID) - El centro Emiliano Zapata del programa de Head Start para Migrantes y trabajadores de Temporada del Concilio Comunitario de Idaho (CC Idaho) desea agradecer al Papa Noel sin barba que presento regalos muy necesarios y necesitados por nuestros alumnos, la semana pasada. Una vez más, los niños de nuestro programa de 'Head Start' en Burley, recibieron abrigos Y fueron dotados pantalones para la nieve por el agricultor Ryan Cranney y McCain Foods de Burley. A Cranney se le presentó con un certificado firmado por los niños. Al ver los garabatos, huellaitas, y la primera letra del nombre de los pocos alumnos que pueden escribir, a Cranney se le rozaron los ojos. Es reconfortante saber que nuestros alumnos son apoyados por las empresas locales.

En nombre de CC Idaho les agradecemos, Ryan Cranney y McCain Foods de Burley.
