Door: MDF Lacquer
Box Panel : Particle board

BERNE COLLECTION

We can have a sufficient cooking space enjoying happiness in the atmosphere of comfort and leisure. The bar area is an open-island style cabinet of independence in which sink and spacious island provide a commodious room for cooking.

Door: MDF Lacquer
Box Panel : Particle board

VIENNA COLLECTION

*Writing a white lyric poetry,
stirring up the heartstring of
modern people who love lives. The
romantic scenario with pure white
is just constructed.*

Door: MDF Lacquer
Box Panel : Particle board

GRAZ COLLECTION

*The combination of different
materials (Lacquer and Wood veneered)
and different colors (pure white and
wooden color) emits brilliance for this
kitchen. The pure white base cabinet
with pure white countertop is eye-
catching and gives a sense of cleanness.
The wooden color island, pantry as
well as dining table makes you feel
the reath of nature.*

Door: MDF Lacquer&Wood veneered
Box Panel: Particle Board

MILAN COLLECTION

The highlight of this kitchen is the island area together with the breakfast bar. The wooden color island cabinet with straight line aluminum handles is not only a distinct design but also brings focus to the island. The creative breakfast bar enlarges the space for use and adds to the interest of leisure.

Door: MDF Melamine
Box Panel: Particle board

MADRID COLLECTION

With lighting, glass and bar table, ensemblment of Italian light music has come to your ears. Irregular stripes of melamine draws the outline of original wooden color which gives off the smell of flowers.

Door: MDF Melamine
Box Panel: Particle board

PROVENCE COLLECTION

Feel drunk in the reflection of sunlight into the wooden atmosphere? This is what this kitchen is meant to be endowed with: Simplism plus romantism. So get the dance and party started in this simple designed kitchen with your beloved partner

Door: MDF Melamine
Box Panel: Particle board

CHEYENNE COLLECTION

A breath of fresh air, a motion of elegance and brevity. Both the glass display and open shelf hold incomparable feeling of the economical cooking place. Where are you actually, at Mediterranean?

Door: MDF Melamine
Box Panel: Particle board

PRAGUE COLLECTION

Listening to the familiar music of Beethoven. Free but sensible transition creates attractive antique style of kitchen.

Door : MDF PVC Thermofol
Box Panel : Particle board

BISMARCK COLLECTION

With its original design and contemporary style, this country-house kitchen is extraordinarily skilled craftsmanship of the Shakers. The wood pattern is based on the typically warm tone of American Cherry. Bottle and glass display cabinets and other exclusive details emphasize the really homey ambiance.

Door : MDF PVC Thermofol
Box Panel : Particle board

PARIS COLLECTION

Orderly pattern incarnates perfect harmony. Wooden color kitchen is the qualified example close to nature. Together with metal drawers, estheticism of kitchen comes directly to you.

Door : MDF PVC Thermofoil
Box Panel : Particle board

SPRINGFIELD COLLECTION

The pure white kitchen oozes timeless beauty. The stainless steel knobs intersperse and highlight the square line of door design. The combination of pantry, tambour and clear glass door cabinets give the overall design of the room a homely feel.

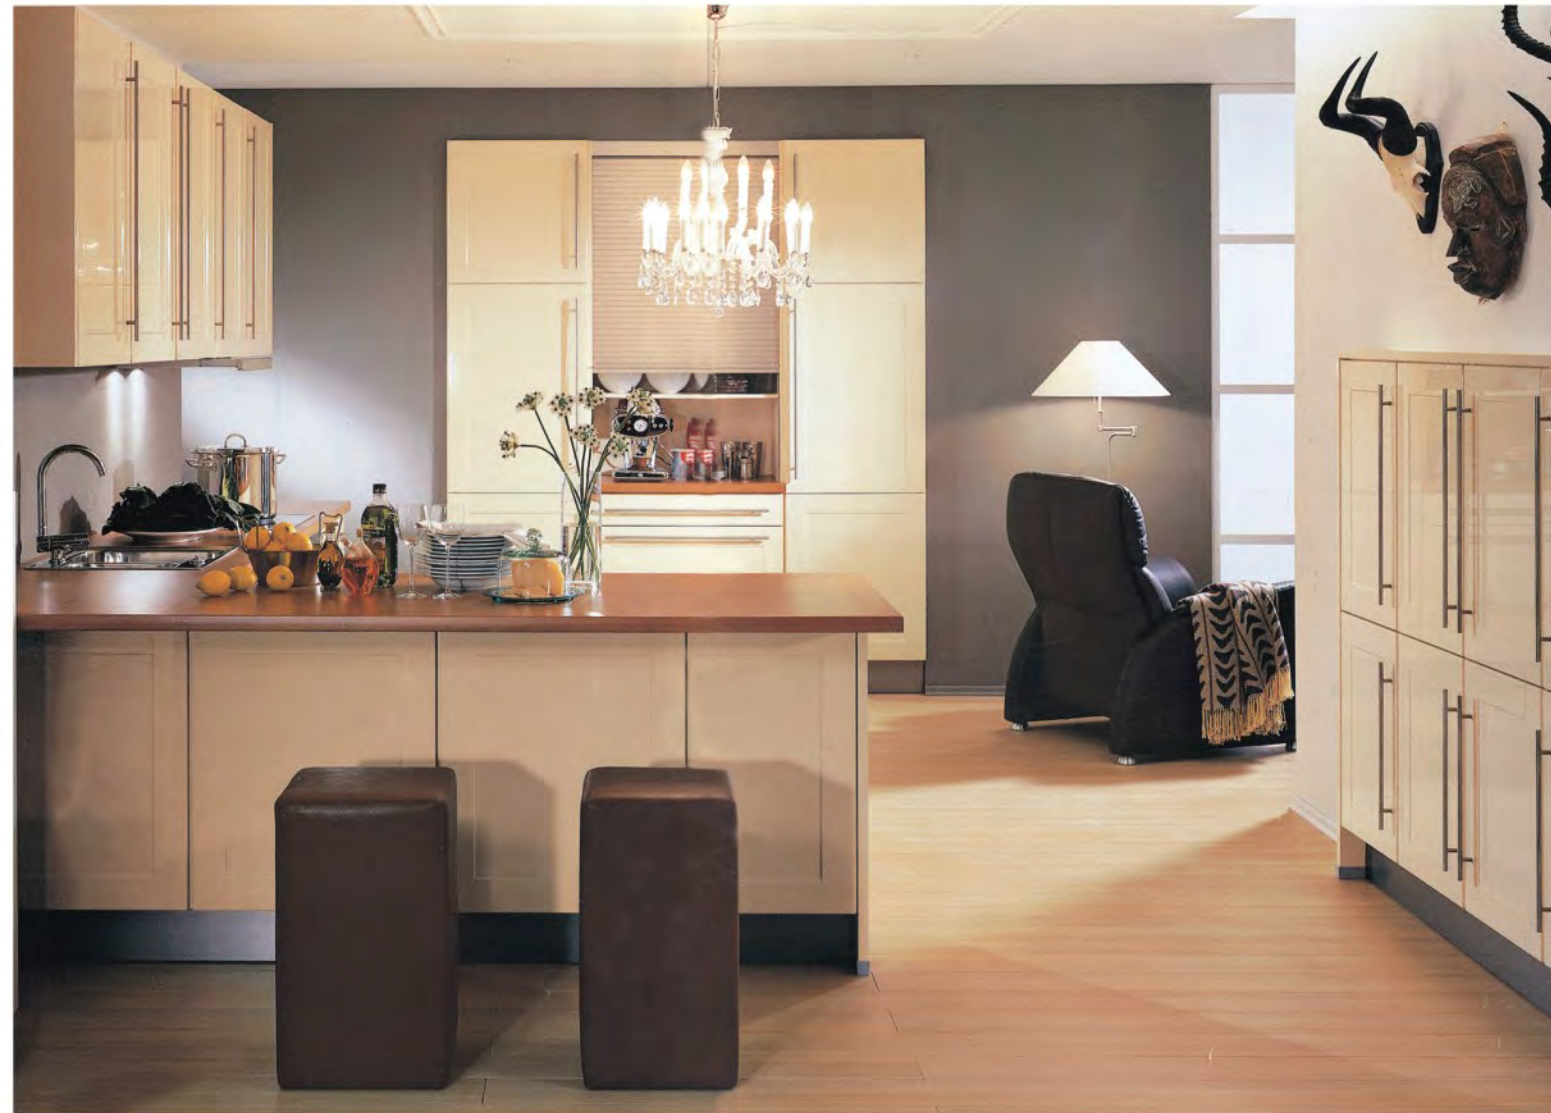

Door : MDF Thermofoil
Box Panel : Particle board

OSLO COLLECTION

High gloss finish makes you enjoy the kitchen much. Typical European style kitchen with base cabinets, wall cabinets and half pantry make full use of space and exert complete effect thoroughly.

Door : MDF PVC Thermofoil high gloss finish
Box Panel : Particle board

MONACO COLLECTION

This design makes the style of simple and design to be embodied to the largest extent. Simple, yet luxury. Don't be cheated by your eyes before you experience the many functional Blum hardware applied in the kitchen

Door: MDF Lacquer
Box panel: Particle Board

GLASGOW COLLECTION

Engulf yourself in the elegance of original cherry wood. Enjoy the warm which is the same to family members. Two identical wood grains do not exist, that is also why people like real wood.

Door: Solid cherry
Box Panel: Plywood

BUDAPEST COLLECTION

Kitchen is the castle of legendary fairy. Gentle morning light is shining in the kitchen and you could only sense breath of angel. What left are beauty and harmony.

Door: Solid maple
Box Panel: Plywood

CLEVELAND COLLECTION

Not only a cooking place but also a gallery displaying all elite. Open frame glass doors with decorative inserts creating the dramatic backdrop for your treasured objects. An eye-catching and practical island brings focus to the bar area as the center of the kitchen.

Door : Solid Alder
Box Panel : Plywood

NASHVILLE COLLECTION

As multifunctional as you can imagine, shelves for displaying, quick coffee break, bar, typically designed cabinets are all for you. Dark chocolate color arouses your memory of childhood and sweet dream.

Door : Oak in chocolate color
Box Panel : Plywood

LEXINGTON COLLECTION

Maple with walnut color is a perfect combination. Together with door shape of shaker, the kitchen is an aged one. But not only aged but also classic and typical.

Door : Solid maple
Box Panel : Plywood

PORTLAND COLLECTION

Wild wood grains of oak always attract you. Durable as it has been. Matched with exquisite handles, the kitchen is more like a masterpiece.

Door: Solid oak
Box Panel : Plywood

DOVER COLLECTION

Simple but fancy design makes this kitchen look very neat but unique. Being in the kitchen is just like reading a poem, rambling in the times, and tasting a bottle of aged wine.

Door: Solid maple
Box panel: Plywood

VINELAND COLLECTION

What was once a small kitchen and dining room have been remodeled into a beautiful, modern kitchen with buffet and bar that works both for everyday use and entertaining.

Door: Maple
Box Panel: Plywood

LANSING COLLECTION

Natural maple wall cabinets feature a creative molding built-up at the cooktop area; the under cabinet detail mirrors the top molding treatment. An island can double as a cleanup area and a comfortable storage.

Door : Natural maple
Box Panel : Plywood

LITTLE ROCK COLLECTION

Honey maple shown in wheat. Combined kitchen and study allowing you to enjoy both cooking and leisure. Comparatively bright color warms the whole room. Can you withstand the temptation?

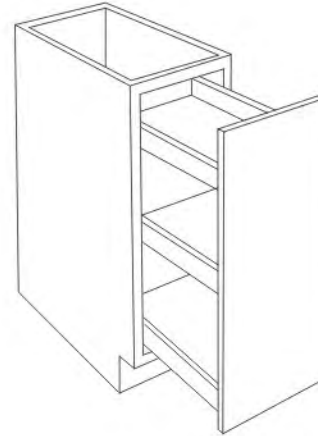

Door: Solid maple in honey color
Box Panel : Plywood
