

- Electronic Log Book - Efficient process portraying a professional image
- Kiosk Sign In - Kiosk can be unattended and even include DL scanning
- Visitor Badge Printing - Simple printing makes identifying visitors easier
- No Software Required - Deployed in minutes across a global enterprise
- National Registry - Registered sex offenders denied a pass
- Prohibited Visitors - List of unwanted visitors can be denied a pass

**I am interested in obtaining more information on the Safe-Pass Visitor Pass System.**
