Is there any additional work you would like to have done or us to look at while we are there? Please check all that apply and we will call you with a price quote.

___ Ceiling fan installation: circle ceiling height: 8 to 10ft 12ft 14ft

___ Install prewire and hang ceiling fan (specify ceiling height and if there attic access)

___ Install new receptacle, switch or dimmer switch

___ Replace existing interior light fixture(s)

___ Install recessed lighting. We may need to look at this before we can quote.

___ Install dedicated outlet (i.e. in garage for refrigerator/freezer) We will need to look at this before we can quote.

Other: _____

We will contact you Monday through Friday between 8:30 AM & 3:30 PM to set up installation.

***Payment must be made at time of installation. If you are not home at the time the exterior work is done, you must leave a check at your front door or pay in advance. An adult must be home for any interior work to be completed. Payments must be made by check.**
