This is a wonderful time for a confirmation group to experience the beauty God has created.

Heit's Point is a special place where ministry happens everyday with the passing of the seasons; in the abundance of wildlife and beauty God given. Take some time and enjoy what we

have to offer;

Retreats begin Friday (registration 7-8 pm)

Bring a Bible, pen, paper, linens, towels, and pillow. You'll be set for a great weekend adventure here at Heit's Point.

We strongly suggest an adult leader for every five youth to be involved in sessions and to supervise behavior.

"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God"
