## Weekend Facilitator

"Dana Otto is a recent graduate of the Psychology and Director of Christian Education programs at Concordia University Nebraska. She grew up just outside of St. Louis, and just moved back to the city this summer to start her DCE internship at Holy Cross Lutheran Church in O'Fallon, MO. She has experience serving as a counselor at several camps (including Heit's Point!) and in various congregations across Missouri and Nebraska, working primarily with youth and young adults. Although she is recently married, she is excited to work with the Singles Retreat to dig into the one-of-a-kind love we all receive from God."
