

Currently The bridge on H highway is closed for maintenance, so you will need to come an alternate route to reach Heit's Point.

If Traveling North or Southbound on Hwy 65 there are two options.

Take the Exit for 52 Highway toward Cole Camp and go 4.5 miles, you will be on the east end of Cole Camp, turn right on B Hwy, go 10 miles, turn right on W Hwy and go 4.7 miles and the turn left on H highway and continue on H until you turn right on Heit's Point Ave.

Take H highway you will go 5.8 miles and then turn left (north) on Wilshusen Rd (Street is not marked we have placed a sign prior to the turn.) follow it for 1.6 miles then turn right on Kullman Rd, go another 1.6 miles and you will return to H highway where you turn left and continue on until you turn on to Heit's Point Ave. ( Wilshusen and Kullman roads are dirt roads)
