Alliance Program

Heit's Point is excited to announce a new program as part of our summer camp program. The Alliance program allows Pastor, DCE, Youth Leaders, Teachers to join in on the amazing experience their youth have while attending camp at Heit's Point. They can then build upon it when they return to their home congregations.

If you're a Pastor, DCE, Youth Leader, or Teacher, you can bring a group of children/youth (minimum group of 5) to a regular camp session. They will be combined with other week-long campers and will participate in the regular camp schedule during the week but will be given a specific time to meet up with your youth each day to use that time as you see fit. This is a great way to have your youth group bond as a whole and see the ways God is changing their lives throughout the week. You will also have the chance to join in your own bible study time and the opportunity to enjoy God's Creation. Check out our website www.Heitspoint.com. Or call our off for more information

Pastors Wanted!!

Heit's Point is looking for Pastors to join us this summer as part of our Pastor of the week. The Pastor of the week will join our staff providing a great outdoor ministry experience. Pastors will assist with daily messages to our campers and help answer questions they may have about their faith. If you would like to be a Pastor of the week or would like some more information, please call our office or email our director of operations Jeff Shippman at Jeffrey.Shippman@cune.org
