

RSV Pools Uniform Code

As an RSV Pools Employee, you are expected to be in Uniform at all times while on Duty! The first time you forget to wear your uniform, you will be asked to go home and get it, or someone can bring it to you. The second time you forget, your manager will have the supervisor bring a new uniform to you, which will come out of your paycheck. The third time you forget, you will receive a formal write-up.
