Ladies Join Us!

It is another great year for excitement, fun, prizes, food and fellowship!

We are planning for our Eighth Annual Women's Fellowship Luncheon 2009. Our Hostess Pastor Freda Gates, is very excited about the fellowship that God is planning for the women this year. A time for laughter, tears, testimony, and a worship experience.

This year our speaker will be our very own, Lady Gates. She has a right now word from God for the women in the Body of Christ. God is speaking to His women concerning the lack and subtleness of knowing who they are in the earth.

We are Royal. We are called out by God to become all that He wants us to be in the Kingdom of God. It is time to come out and be ye separated from those that don't want to walk in holiness, virtue, and purity unto our God.

This fellowship will impact the women that will come to hear what the spirit of God is saying to His Daughters of Zion. Psalm 45:9, Psalm 144:12.

Come, bring a friend and be blessed by God!

Voiding Out Temptation

As women of God, we have a lot on our agenda when it comes to not only being a woman, but also being a mother, wife, employee, and many other titles that we hold.

We are tempted with many things. As women, we at times will do whatever it takes to bring forth the good things that are needed for our families. But, not all things we reach for are good for those that love and fear God.

When our eyes are tempted by what we see; we may start to desire and even bond with that temptation. The bible says that God will keep His loved ones from falling into temptation of the flesh, *How?* Through communing with Him when we are tempted. 2 Peter 2:9, Proverbs 4:7-13.

Cup of Devotion

Do you ever stop to wonder why Ruth didn't turn back and go with her sister-in-law Orpah? I feel as though she could see vision and Orpah could not. Ruth 1:7-20

When you are in tune with God, it is hard to allow your present circumstance to move you from where you are yet planted for that particular season in your life; without first getting instruction from God. There was a season in my family life that we needed a word from God. I heard the preacher teach and my mentors speak; However, it was something about getting a personal word from God and moving out on that word.

Reading the word of God is totally different from receiving a word from God. 1) The word *of* God shows a movement of people that had a firm word *from* God. 2) The word from God, comes only in a state when it is needed most, example: a family emergency, moving to another state, changing jobs, etc...

Make sure you have heard a word from God, and not just moving only on the word of God. Even though they both can and will bring great results! Proverbs 3:5-13
