FAITH

“For no word from God will ever fail.”

Luke 1:37 (NIV)

Let us pray...

Father, “Your word is a lamp for our feet, a light on our path.” It brings us understanding and gives off light into all truth. It is alive and active in the thoughts and hearts of all those who believe in You. Thank You Father that You have given us access to Your word through Jesus Christ. Thank You that Your Holy Spirit guides us with love, wisdom, and discipline. Thank You that Your word sustains us in times like these, never empty promises that can come from a person’s mouth, but promises that are sealed by the blood of Christ. Help us in this day and the days to come to hold on to Your word in every circumstance. When trouble comes, we will remember that when the righteous cry out, the LORD hears us and delivers us from our troubles. When wars and disasters happen around us, we will remember that we have peace in You because You have overcome the world. We are holding on to You because we trust You with all our heart and are leaning not on our own understanding. We know that everything that You do in our lives is for our good and according to Your purpose for our lives. You are our Father. You have never failed us and never will. What hope and joy we have in the promises given through Your word. In Jesus Name. Amen.
