Trying Again

**“The LORD sits enthroned over the flood; the LORD is enthroned as King forever. The LORD gives strength to His people; the LORD blesses His people with peace.”**

**Psalm 29:1-11 (NIV)**

Let us pray...

Father God, we see You all around us. Your power is displayed in all living things. Your strength is in the storms and Your glory can ride the winds. We are grateful every day that nature reminds us of Your great power. It was Your voice that called the light into the darkness and they separated. It was Your voice that told the waters to separate and there was sky. It was Your voice that made the ground appear and the waters become the seas. It was Your voice that gave life in every seed-bearing plant. Your voice rang out in the heavens and the stars appeared in the sky and the sun ruled the day and the moon gave itself to the night. It was Your voice that filled the waters with living creatures and birds that soared in the vault of the sky. It was Your voice that brought to life every kind of living creature tame, wild, and on the ground. Thank You Father God that You did not stop there. You made us in Your image from the dust of the earth and declared it all good. How thankful we are that we can see Your miraculous works all around us and in us. You are Elohim, the Creator of all things. You are the One who gives us strength to live this life as Your people. Thank You for the peace that came through our LORD Jesus. We declare with a voice of praise that You are LORD, forever our King. In the Name of our Lord, Jesus, we pray. Amen.

“Simon answered, “Master, we’ve worked hard all night and haven’t caught anything. But because you say so, I will let down the nets.” **(Luke 5:5 NLT)**
