

Are You Thankful?

Hello guys!! This is your Children's Ministry Team. We at Third Baptist miss you soooo much. We miss your smiling faces in Sunday school. We miss your cheerful voices in the choir! We miss your graceful praise dancing feet! We know it's been tough these few weeks being away from school and missing your friends! We haven't forgotten about you and wanted to share this video with you.

As you watch this video, please pay attention to how Douglas' day starts. Then pay attention to how his day ends.

Here are some questions to answer after the video.

- 1). What went wrong during Douglas' day?
- 2). What was Douglas thankful for?
- 3). What did the family on the news lose in the fire? Were they upset because they lost their PlayStation or were they thankful for each other?
- 4). What does being thankful mean to you?
- 5). Have you ever had a really bad day?
- 6). Can you list some good things for your really bad day like Douglas did towards the later part of the video?
- 7). What are you thankful for today?

MEMORY VERSE

Try to read this verse over and over again until you can say it without LOOKING! Bible verse to remember:
"This is the day the Lord has made; We will rejoice and be glad in it." (Psalm 118:24)

ACTIVITY

Grab an empty jar, small plastic bin with a lid, or tiny box with lid. Cut or tear off a small slip of paper. Write down something you are grateful for each day. Keep going until the container is full. Save this! On days that you aren't happy...reach in and pull out one of the pieces of paper. This will remind you what God has blessed you to have! The things for which you are thankful! Try to be creative. Decorate your jar or use colorful paper or pens! What do you want to call this jar?

CHALLENGE!

Draw a picture of what makes you thankful!

Please take a picture of your drawing and send it to thrpastor@aol.com. It may be posted on our Church Facebook page!

We LOVE you and we at Third Baptist Church are definitely grateful for YOU!!!
