Praying Proverbs

“Glorify God with all your wealth, honoring Him with your first fruits, with every increase that comes to you. Then every dimension of your life will overflow with blessings from an uncontainable source of inner joy!” **Proverbs 3: 9-10 (TPT)**

Let us pray...

Father God, thank You that the vastness of who You are flows in us and around us. We declare that “The earth is the LORD’s and the fullness thereof, the world and those who dwell therein.” We belong to You God and we offer up ourselves as a living sacrifice unto You. We honor You Father God with the first fruit of our blessings because you have ensured us that we will not go without. Each us Your ways and help us Holy Spirit to be generous in our giving, faithful in our testings, and cheerful in our sacrifices. Help us to be grateful in and out of season. Show us the joys of contentment in little or in abundance. Transform our thinking to understand all things eternal.

Guide us in obedience to our Lord. Help us to understand that His will is our will. We open ourselves up to You to give the first fruits of our wealth and every increase that comes to us. We give with our whole heart, not reluctantly or under compulsion, but because You love a cheerful giver. With the love of Christ Jesus, we extend our praises to You—the fruit of our lips that openly profess His name. Thank you for the overflow of Your blessings in our lives that keep us in Your perfect peace and helps us to seek Your joy. In Jesus Name. Amen.
