OUTSIDE THE WALLS

The Apostle Paul encourages us *“to walk worthy of the calling we have received”*. This call of God on our lives is one that we can’t escape simply because we were redeemed for purpose. Our purpose is to perpetuate the kingdom call of Christ by sharing the good news with those around us. Ours is a call to reach across self-imposed and socially-imposed barriers; and we do this by being the “salt of the earth”.

In light of this inescapable truth, I am asking that the members of Third Baptist Church reevaluate, reassess and reengage in the discipleship call upon our lives. As we bring 2019 to a close, I’m asking you to join me in the following as we ***“transform the world one disciple at a time, by the living of our faith”***. Evangelism is the key in fulfilling our vision and listed below are the steps we will embark on beginning in **OCTOBER** to fulfill our purpose.

Blessings

Core Values

The following four ideals help shape the core values of our ministry. They are the pillars that hold us up and keep us focused on our vision.

- LOVE
- OUTREACH
- ACCOUNTABILITY
- DISCIPLESHIP

OUR STRATEGY

Step 1: **PRAYER**: Everyone is asked to pray each week for 1 unsaved/unchurched relative, neighbor, co-worker, or friend. We are praying for their salvation and that God would lead them to TBC.

Step 2: **PERSONAL TOUCH**: Invite someone to join us each week by sending them a text, phone call, email or by word of mouth.

Step 3: **ACTS 1&8**: Pray for designated street surrounding the Church for the entire week. Seek God for the salvation of those unsaved on that street and that God would lead them to TBC. We will also distribute door hangers on the targeted street as part of our personal touch.

Step 4: **ACTS OF KINDNESS**: Prayerfully seek opportunities to serve a stranger through random acts of kindness during the month of October.

PRAYER: Father, as we start this season of evangelism, we seek You for our covering. Cover our families, our church and our community. Hold us by the power of Your right hand from the tactics of the enemy. Glorify Your name through our efforts through every saved soul, every reconnected saint and every lost individual that experiences Your grace. Bless every person sharing in this Kingdom call in Jesus name, Amen.
