To the Editor:

Many heartfelt thanks to everyone that helped make my 3rd Annual Thank You Dinner for Town of Verona Veterans on Nov. 11 a success! This was the best attended one thus far! Thanks to Nelson Dodge and George Eggen for helping out as well as The Hotey and the media that helped publicize the event. Thanks to the Verona Veterans of Foreign Wars Post 6811 for providing the venue for the Thank You Dinner.

Special thanks to my wife, Kathy for being so supportive, helpful, and for cooking and baking. Thanks to my daughter, Marissa for helping during the event.

Last, but certainly not least, thank you to the Veterans and their families that attended. Your service and sacrifice to our great country will never be forgotten! I'm honored to call these great people my friends and Verona my hometown! To see some photos from this Thank You Dinner, please go to my website: www.fritzscherz.com.
