

JUNE 2013

First LIFE

FROM THE PASTOR...

Summer is here and it is going to be a busy time for missions and

ministries. Dare we enter this summer's activities without praying for God's leadership and blessing?

June 3-9 is CityKids Camp. The kids look forward to this and dozens of volunteers come together to make it happen. Pray that more of our CityKids will be drawn closer to God. Pray for some to make decisions for Christ. Pray that the Spirit in these kids spills over into their families. Pray for good weather, too!

During the next two weeks of June the youth will be away at Garden City Beach Camp. June 10-14 is middle school camp and 17-21 is high school camp. Pray for safe travel and safety at the beach, for spiritual

growth and enthusiasm in our youth, and for sanity for our leaders. Also, almost every year some young people give their hearts to Jesus while at the camp. Let's pray that Chris will have to perform some baptisms when he returns.

VBS is the next week of June 24 - 28. Again, this is an opportunity for learning, growth, and salvation for our children. It is also very "volunteer intensive." People give up a lot of their time and energy to help with VBS. Pray thanksgiving and blessings on all our volunteers.

July 8-12 is the Carolina Mission Team's trip to Baltimore. God always seems to bless our missional efforts. Pray for safe travel and safety on the worksites. Pray that people in Baltimore will be touched by God's love through the work of our youth and leaders. And, as

always, pray that new Christians will be born into the Kingdom during this trip.

Children's music camp is next, July 22-26. Let's pray that some children will catch a vision that they can become lifelong participants in leading worship through music. Some may come to feel that they can sing in a choir or praise team, play an instrument, or become a minister of music. Pray that God speaks to our children through music camp and pray for our leaders as well.

That's a busy couple of months and it's all good.

Thank you to everyone who is leading, serving, or participating in this summer's ministries and missions. God bless us all.
