

Activating Your Success Body

Ignite Your Passion into Action & Transform Your Fate into Your Destiny

Progress Areas

Areas you made progress today – and can continue to make progress

Clarify

- Identify your biggest business challenge / where you feel stuck
- Know where in the body that stuck energy is, how it's impacting you, and transform it

Collaborate

- Understand and validate your unique genius based on your personality type
- Know what to do, delegate or delete
- Learn how business can be more fun and exciting

Create

- Recognize how we create our business through our chakras
- Assess your chakras' level of activation
- Understand what's missing in your ability to easily manifest

Activate

- Fully activate your chakras
- See, know and feel your new higher vibration / frequency, and what it's like to be fully in your power

Amplify

- Increase your clarity of your best next steps in your business
- Gain tools to maintain and continue to amplify your frequency and new level of power

Empower

- Validate how you can best be used / serve more people
- Identify and mitigate your blind side & weaknesses
- Identify areas where you're challenged and who you need to support you

Energize

- Identify and minimize overwhelm, confusion, distractions, and stress
- Clear blocks, issues and challenges
- Release fear, doubt, limiting beliefs and old patterns
- Feel relief, freedom & more balance
- Feel more clear, decisive, and confident
- Feel more present, inspired and excited
- Optimize energy / raise the vibrational frequency of you & your business

- Ignite your Passion into Action and transform you Fate into your Destiny
