

Susan Rueppel, Ph.D. *presents*

Quick Launch Your Professional Business Intuition Practice

Time Saving Tips, Tools, Techniques and Templates

For intuitives on the fast track to launch your professional Business Intuition practice:

- Hit the ground running
- Save dozens of hours
- Get known as a professional
- Focus on what you love to do
- Fill your practice quickly

Build your business foundation in 1 interactive day including:

- Business basics
- Marketing and sales
- Consultation framework
- Client touch points and tracking
- Technology, packaging
- Resources and MORE!

In this workshop I share years of experience as a professional Business Intuitive and the wisdom gained from providing hundreds of professional Business Intuition consultations

In just 1 day you will develop the business framework you need to make your living helping others while doing work you love. Understand what it takes most service businesses years to figure out, and be ready to immediately get your work out into the world and help more people. Join me in taking intuition from the esoteric realm and giving it the practical and professional business framework it deserves.
